(r) Subject to section 5503(c) of this title, if any veteran, otherwise entitled to compensation authorized under subsection (o) of this

section, at the maximum rate authorized under subsection (p) of this section, or at the intermediate rate authorized between the rates authorized under subsections (n) and (o) of this section and at the rate authorized under subsection (k) of this section, is in need of regular aid and attendance, then, in addition to such compensation—

(1) the veteran shall be paid a monthly aid and attendance allowance at the rate of \$2,002; or

For the purposes of clause (2) of this subsection, need for a higher level of care shall be considered to be need for personal health-care services provided on a daily basis in the veteran's home by a person who is licensed to provide such services or who provides such services under the regular supervision of a licensed health-care professional. The existence of the need for such care shall be determined by a physician employed by the Department or, in areas where no such physician is available, by a physician carrying out such function under contract or fee arrangement based on an examination by such physician. For the purposes of section 1134 of this title, such allowance shall be considered as additional compensation payable for disability.

(s) If the veteran has a service-connected disability rated as total, and (1) has additional service-connected disability or disabilities independently ratable at 60 percent or more, or, (2) by reason of such veteran's service-connected disability or disabilities, is permanently housebound, then the monthly compensation shall be \$2,993. For the purpose of this subsection, the requirement of "permanently housebound" will be considered to have been met when the veteran is substantially confined to such veteran's house (ward or clinical areas, if institutionalized) or immediate premises due to a service-connected disability or disabilities which it is reasonably certain will remain throughout such veteran's lifetime.

(t) Subject to section 5503(c) of this title, if any veteran, as the result of service-connected disability, is in need of regular aid and attendance for the residuals of traumatic brain injury, is not eligible for compensation under subsection (r)(2), and in the absence of such regular aid and attendance would require hospitalization, nursing home care, or other residential institutional care, the veteran shall be paid, in addition to any other compensation under this section, a monthly aid and attendance allowance equal to the rate described in subsection (r)(2), which for purposes of section 1134 of this title shall be considered as additional compensation payable for disability. An

allowance authorized under this subsection shall be paid in lieu of any allowance authorized by subsection (r)(1).

(a)(1) For the purposes of section 1110 of this title, and subject to section 1113 of this title—

(A) a disease specified in paragraph (2) of this subsection becoming manifest as specified in that paragraph in a veteran who, during active military, naval, or air service, served in the Republic of Vietnam during the period beginning on January 9, 1962, and ending on May 7, 1975; and

(B) each additional disease (if any) that (i) the Secretary determines in regulations prescribed under this section warrants a presumption of service-connection by reason of having positive association with exposure to an herbicide agent, and (ii) becomes manifest within the period (if any) prescribed in such regulations in a veteran who, during active military, naval, or air service, served in the Republic of Vietnam during the period beginning on January 9, 1962, and ending on May 7, 1975, and while so serving was exposed to that herbicide agent,

shall be considered to have been incurred in or aggravated by such service, notwithstanding that there is no record of evidence of such disease during the period of such service.

(2) The diseases referred to in paragraph (1)(A) of this subsection are the following:

(A) Non-Hodgkin's lymphoma becoming manifest to a degree of disability of 10 percent or more.

(B) Each soft-tissue sarcoma becoming manifest to a degree of disability of 10 percent

or more other than osteosarcoma, chondrosarcoma, Kaposi's sarcoma, or mesothelioma.

(C) Chloracne or another acneform disease consistent with chloracne becoming manifest to a degree of disability of 10 percent or more within one year after the last date on which the veteran performed active military, naval, or air service in the Republic of Vietnam during the period beginning on January 9, 1962, and ending on May 7, 1975.

(D) Hodgkin's disease becoming manifest to a degree of disability of 10 percent or more.

(b)(1) Whenever the Secretary determines, on the basis of sound medical and scientific evidence, that a positive association exists between (A) the exposure of humans to an herbicide agent, and (B) the occurrence of a disease in humans, the Secretary shall prescribe regulations providing that a presumption of service connection is warranted for that disease for the purposes of this section.

(2) In making determinations for the purpose of this subsection, the Secretary shall take into account (A) reports received by the Secretary from the National Academy of Sciences under section 3 of the Agent Orange Act of 1991, and (B) all other sound medical and scientific information and analyses available to the Secretary. In evaluating any study for the purpose of making such determinations, the Secretary shall take into consideration whether the results are statistically significant, are capable of replication, and withstand peer review.

(3) An association between the occurrence of a disease in humans and exposure to an herbicide agent shall be considered to be positive for the purposes of this section if the credible evidence for the association is equal to or outweighs the credible evidence against the association.

(c)(1)(A) Not later than 60 days after the date on which the Secretary receives a report from the National Academy of Sciences under section 3 of the Agent Orange Act of 1991, the Secretary shall determine whether a presumption of service connection is warranted for each disease covered by the report. If the Secretary determines that such a presumption is warranted, the Secretary, not later than 60 days after making the determination, shall issue proposed regulations setting forth the Secretary's determination.

(B) If the Secretary determines that a presumption of service connection is not war-

ranted, the Secretary, not later than 60 days after making the determination, shall publish in the Federal Register a notice of that determination. The notice shall include an explanation of the scientific basis for that determination. If the disease already is included in regulations providing for a presumption of service connection, the Secretary, not later than 60 days after publication of the notice of a determination that the presumption is not warranted, shall issue proposed regulations removing the presumption for the disease.

(2) Not later than 90 days after the date on which the Secretary issues any proposed regulations under this subsection, the Secretary shall issue final regulations. Such regulations shall be effective on the date of issuance.

(d) Whenever a disease is removed from regulations prescribed under this section—

(1) a veteran who was awarded compensation for such disease on the basis of the presumption provided in subsection (a) before the effective date of the removal shall continue to be entitled to receive compensation on that basis; and

(2) a survivor of a veteran who was awarded dependency and indemnity compensation for the death of a veteran resulting from such disease on the basis of such presumption shall continue to be entitled to receive dependency and indemnity compensation on such basis.

(e) Subsections (b) through (d) shall cease to be effective on September 30, 2015.

(f) For purposes of establishing service connection for a disability or death resulting from exposure to a herbicide agent, including a presumption of service-connection under this section, a veteran who, during active military, naval, or air service, served in the Republic of Vietnam during the period beginning on January 9, 1962, and ending on May 7, 1975, shall be presumed to have been exposed during such service to an herbicide agent containing dioxin or 2,4-dichlorophenoxyacetic acid, and may be presumed to have been exposed during such service to any other chemical compound in an herbicide agent, unless there is affirmative evidence to establish that the veteran was not exposed to any such agent during that service.

REPORT ON TIME LIMIT FOR PRESUMPTION OF CANCER CAUSED BY HERBICIDE AGENT

Pub. L. 107-103, title II, §201(a)(2)-(4), Dec. 27, 2001, 115 Stat. 987, provided that:

"(2) The Secretary of Veterans Affairs shall enter into a contract with the National Academy of Sciences, not later than six months after the date of the enactment of this Act [Dec. 27, 2001], for the performance of a study to include a review of all available scientific literature on the effects of exposure to an herbicide agent containing dioxin on the development of res-

piratory cancers in humans and whether it is possible to identify a period of time after exposure to herbicides after which a presumption of service-connection for such exposure would not be warranted. Under the contract, the National Academy of Sciences shall submit a report to the Secretary setting forth its conclusions. The report shall be submitted not later than 18 months after the contract is entered into.

“(3) For a period of six months beginning on the date of the receipt of the report of the National Academy of Sciences under paragraph (2), the Secretary may, if warranted by clear scientific evidence presented in the National Academy of Sciences report, initiate a rulemaking under which the Secretary would specify a limit on the number of years after a claimant's departure from Vietnam after which respiratory cancers would not be presumed to have been associated with the claimant's exposure to herbicides while serving in Vietnam. Any such limit under such a rule may not take effect until 120 days have passed after the publication of a final rule to impose such a limit.

“(4)(A) Subject to subparagraphs (B) and (C), if the Secretary imposes such a limit under paragraph (3), that limit shall be effective only as to claims filed on or after the effective date of that limit.

“(B) In the case of any veteran whose disability or death due to respiratory cancer is found by the Secretary to be service-connected under section 1116(a)(2)(F) of title 38, United States Code, as amended by paragraph (1), such disability or death shall remain service-connected for purposes of all provisions of law under such title notwithstanding the imposition, if any, of a time limit by the Secretary by rulemaking authorized under paragraph (3).

“(C) Subparagraph [sic] (B) does not apply in a case in which—

“(i) the original award of compensation or service connection was based on fraud; or

“(ii) it is clearly shown from military records that the person concerned did not have the requisite service or character of discharge.”

AGREEMENT WITH NATIONAL ACADEMY OF SCIENCES

Pub. L. 102-4, § 3, Feb. 6, 1991, 105 Stat. 13, as amended by Pub. L. 102-83, § 5(c)(2), Aug. 6, 1991, 105 Stat. 406; Pub. L. 102-86, title V, § 503(a), (b)(1), Aug. 14, 1991, 105 Stat. 424, 425; Pub. L. 107-103, title II, § 201(d)(2), Dec. 27, 2001, 115 Stat. 988, provided that:

“(a) PURPOSE.—The purpose of this section is to provide for the National Academy of Sciences, an independent nonprofit scientific organization with appropriate expertise which is not part of the Federal Government, to review and evaluate the available scientific evidence regarding associations between diseases and exposure to dioxin and other chemical compounds in herbicides.

“(b) AGREEMENT.—The Secretary shall seek to enter into an agreement with the National Academy of Sciences for the Academy to perform the services covered by this section. The Secretary shall seek to enter into such agreement not later than two months after the date of the enactment of the Veterans' Benefits Programs Improvement Act of 1991 [Aug. 14, 1991].

“(c) REVIEW OF SCIENTIFIC EVIDENCE.—Under an agreement between the Secretary and the National Academy of Sciences under this section, the Academy shall review and summarize the scientific evidence, and assess the strength thereof, concerning the association between exposure to an herbicide used in support of the United States and allied military operations in the Republic of Vietnam during the Vietnam era and each disease suspected to be associated with such exposure.

“(d) SCIENTIFIC DETERMINATIONS CONCERNING DISEASES.—(1) For each disease reviewed, the Academy shall determine (to the extent that available scientific data permit meaningful determinations)—

“(A) whether a statistical association with herbicide exposure exists, taking into account the strength of the scientific evidence and the appropriateness of the statistical and epidemiological methods used to detect the association;

“(B) the increased risk of the disease among those exposed to herbicides during service in the Republic of Vietnam during the Vietnam era; and

“(C) whether there exists a plausible biological mechanism or other evidence of a causal relationship between herbicide exposure and the disease.

“(2) The Academy shall include in its reports under subsection (g) a full discussion of the scientific evidence and reasoning that led to its conclusions under this subsection.

“(e) RECOMMENDATIONS FOR ADDITIONAL SCIENTIFIC STUDIES.—The Academy shall make any recommendations it has for additional scientific studies to resolve areas of continuing scientific uncertainty relating to herbicide exposure. In making recommendations for further study, the Academy shall consider the scientific information that is currently available, the value and relevance of the information that could result from additional studies, and the cost and feasibility of carrying out such additional studies.

“(f) SUBSEQUENT REVIEWS.—An agreement under subsection (b) shall require the National Academy of Sciences—

“(1) to conduct as comprehensive a review as is practicable of the evidence referred to in subsection (c) that became available since the last review of such evidence under this section; and

“(2) to make its determinations and estimates on the basis of the results of such review and all other reviews conducted for the purposes of this section.

“(g) REPORTS.—(1) The agreement between the Secretary and the National Academy of Sciences shall require the Academy to transmit to the Secretary and the Committees on Veterans' Affairs of the Senate and House of Representatives periodic written reports regarding the Academy's activities under the agreement. Such reports shall be submitted at least once every two years (as measured from the date of the first report).

“(2) The first report under this subsection shall be transmitted not later than the end of the 18-month period beginning on the date of the enactment of this Act [Feb. 6, 1991]. That report shall include (A) the determinations and discussion referred to in subsection (d), (B) any recommendations of the Academy under subsection (e), and (C) the recommendation of the Academy as to whether the provisions of each of sections 6 through 9 [set out below] should be implemented by the Secretary. In making its recommendation with respect to each such section, the Academy shall consider the scientific information that is currently available, the value and relevance of the information that could result from implementing that section, and the cost and feasibility of implementing that section. If the Academy recommends that the provisions of section 6 should be implemented, the Academy shall also recommend the means by which clinical data referred to in that section could be maintained in the most scientifically useful way.

“(h) LIMITATION ON AUTHORITY.—The authority to enter into agreements under this section shall be effective for a fiscal year to the extent that appropriations are available.

“(i) SUNSET.—This section shall cease to be effective on October 1, 2014.

“(j) ALTERNATIVE CONTRACT SCIENTIFIC ORGANIZATION.—If the Secretary is unable within the time period prescribed in subsection (b) to enter into an agreement with the National Academy of Sciences for the purposes of this section on terms acceptable to the Secretary, the Secretary shall seek to enter into an agreement for the purposes of this section with another appropriate scientific organization that is not part of the Government and operates as a not-for-profit entity and that has expertise and objectivity comparable to that of the National Academy of Sciences. If the Secretary enters into such an agreement with another organization, then any reference in this section and in section 1116 [formerly 316] of title 38, United States Code (as added by section 2), to the National Academy of Sciences shall be treated as a reference to the other organization.

“(k) LIABILITY INSURANCE.—(1) The Secretary may provide liability insurance for the National Academy of Sciences or any other contract scientific organization to cover any claim for money damages for injury, loss of property, personal injury, or death caused by any negligent or wrongful act or omission of any person referred to in paragraph (2) in carrying out any of the following responsibilities of the Academy or such other organization, as the case may be, under an agreement entered into with the Secretary pursuant to this section:

“(A) The review, summarization, and assessment of scientific evidence referred to in subsection (c).

“(B) The making of any determination, on the basis of such review and assessment, regarding the matters set out in clauses (A) through (C) of subsection (d)(1), and the preparation of the discussion referred to in subsection (d)(2).

“(C) The making of any recommendation for additional scientific study under subsection (e).

“(D) The conduct of any subsequent review referred to in subsection (f) and the making of any determination or estimate referred to in such subsection.

“(E) The preparation of the reports referred to in subsection (g).

“(2) A person referred to in paragraph (1) is—

“(A) an employee of the National Academy of Sciences or other contract scientific organization referred to in paragraph (1); or

“(B) any individual appointed by the President of the Academy or the head of such other contract scientific organization, as the case may be, to carry out any of the responsibilities referred to in such paragraph.

“(3) The cost of the liability insurance referred to in paragraph (1) shall be made from funds available to carry out this section.

“(4) The Secretary shall reimburse the Academy or person referred to in paragraph (2) for the cost of any judgments (if any) and reasonable attorney's fees and incidental expenses, not compensated by the liability insurance referred to in paragraph (1) or by any other insurance maintained by the Academy, incurred by the Academy or person referred to in paragraph (2), in connection with any legal or administrative proceedings arising out of or in connection with the work to be performed under the agreement referred to in paragraph (1). Reimbursement of the cost of such judgments, attorney's fees, and incidental expenses shall be paid from funds appropriated for such reimbursement or appropriated to carry out this section, but in no event shall any such reimbursement be made from funds authorized pursuant to section 1304 of title 31, United States Code.”

§ 1117. Compensation for disabilities occurring in Persian Gulf War veterans

(a)(1) The Secretary may pay compensation under this subchapter to a Persian Gulf veteran

with a qualifying chronic disability that became manifest—

(A) during service on active duty in the Armed Forces in the Southwest Asia theater of operations during the Persian Gulf War; or

(B) to a degree of 10 percent or more during the presumptive period prescribed under subsection (b).

(2) For purposes of this subsection, the term “qualifying chronic disability” means a chronic disability resulting from any of the following (or any combination of any of the following):

(A) An undiagnosed illness.

(B) A medically unexplained chronic multisymptom illness (such as chronic fatigue syndrome, fibromyalgia, and irritable bowel syndrome) that is defined by a cluster of signs or symptoms.

(C) Any diagnosed illness that the Secretary determines in regulations prescribed under subsection (d) warrants a presumption of service-connection.

(b) The Secretary shall prescribe by regulation the period of time following service in the Southwest Asia theater of operations during the Persian Gulf War that the Secretary determines is appropriate for presumption of service connection for purposes of this section. The Secretary's determination of such period of time shall be made following a review of any available credible medical or scientific evidence and the historical treatment afforded disabilities for which manifestation periods have been established and shall take into account other pertinent circumstances regarding the experiences of veterans of the Persian Gulf War.

(c)(1) Whenever the Secretary determines under section 1118(c) of this title that a presumption of service connection previously established under this section is no longer warranted—

(A) a veteran who was awarded compensation under this section on the basis of the presumption shall continue to be entitled to receive compensation under this section on that basis; and

(B) a survivor of a veteran who was awarded dependency and indemnity compensation for the death of a veteran resulting from the disease on the basis of the presumption before that date shall continue to be entitled to receive dependency and indemnity compensation on that basis.

(2) This subsection shall cease to be effective on September 30, 2011.

(d)(1) The Secretary shall prescribe regulations to carry out this section.

(2) Those regulations shall include the following:

(A) A description of the period and geographical area or areas of military service in connection with which compensation under this section may be paid.

(B) A description of the illnesses for which compensation under this section may be paid.

(C) A description of any relevant medical characteristic (such as a latency period) associated with each such illness.

(e) A disability for which compensation under this subchapter is payable shall be considered to

be service connected for purposes of all other laws of the United States.

(f) For purposes of this section, the term “Persian Gulf veteran” means a veteran who served on active duty in the Armed Forces in the Southwest Asia theater of operations during the Persian Gulf War.

(g) For purposes of this section, signs or symptoms that may be a manifestation of an undiagnosed illness or a chronic multisymptom illness include the following:

(1) Fatigue.

(9) Sleep disturbances.

(10) Gastrointestinal signs or symptoms.

(11) Cardiovascular signs or symptoms.

(12) Abnormal weight loss.

(13) Menstrual disorders.

(h)(1) If the Secretary determines with respect to a medical research project sponsored by the Department that it is necessary for the conduct of the project that Persian Gulf veterans in receipt of compensation under this section or section 1118 of this title participate in the project without the possibility of loss of service connection under either such section, the Secretary shall provide that service connection granted under either such section for disability of a veteran who participated in the research project may not be terminated. Except as provided in paragraph (2), notwithstanding any other provision of law any grant of service-connection protected under this subsection shall remain service-connected for purposes of all provisions of law under this title.

(2) Paragraph (1) does not apply in a case in which—

(A) the original award of compensation or service connection was based on fraud; or

(B) it is clearly shown from military records that the person concerned did not have the requisite service or character of discharge.

(3) The Secretary shall publish in the Federal Register a list of medical research projects sponsored by the Department for which service connection granted under this section or section 1118 of this title may not be terminated pursuant to paragraph (1).

PERSIAN GULF WAR VETERANS’ BENEFITS

Sections 102 to 105, 107, 109, and 110 of title I of Pub. L. 103-446, as amended by Pub. L. 104-262, title III, § 352(a), Oct. 9, 1996, 110 Stat. 3210; Pub. L. 105-368, title I, § 107, Nov. 11, 1998, 112 Stat. 3325; Pub. L. 106-117, title II, § 205(b), (c), Nov. 30, 1999, 113 Stat. 1563, provided that:

“SEC. 102. FINDINGS.

“The Congress makes the following findings:

“(1) During the Persian Gulf War, members of the Armed Forces were exposed to numerous potentially toxic substances, including fumes and smoke from military operations, oil well fires, diesel exhaust, paints, pesticides, depleted uranium, infectious agents, investigational drugs and vaccines, and indigenous diseases, and were also given multiple immunizations. It is not known whether these service-members were exposed to chemical or biological warfare agents. However, threats of enemy use of chemical and biological warfare heightened the psychological stress associated with the military operation.

“(2) Significant numbers of veterans of the Persian Gulf War are suffering from illnesses, or are exhibiting symptoms of illness, that cannot now be diagnosed or clearly defined. As a result, many of these conditions or illnesses are not considered to be service connected under current law for purposes of benefits administered by the Department of Veterans Affairs.

“(3) The National Institutes of Health Technology Assessment Workshop on the Persian Gulf Experience and Health, held in April 1994, concluded that the complex biological, chemical, physical, and psychological environment of the Southwest Asia theater of operations produced complex adverse health effects in Persian Gulf War veterans and that no single disease entity or syndrome is apparent. Rather, it may

be that the illnesses suffered by those veterans result from multiple illnesses with overlapping symptoms and causes that have yet to be defined.

“(4) That workshop concluded that the information concerning the range and intensity of exposure to toxic substances by military personnel in the Southwest Asia theater of operations is very limited and that such information was collected only after a considerable delay.

“(5) In response to concerns regarding the health-care needs of Persian Gulf War veterans, particularly those who suffer from illnesses or conditions for which no diagnosis has been made, the Congress, in Public Law 102-585 [see Short Title of 1992 Amendments note under section 101 of this title], directed the establishment of a Persian Gulf War Veterans Health Registry, authorized health examinations for veterans of the Persian Gulf War, and provided for the National Academy of Sciences to conduct a comprehensive review and assessment of information regarding the health consequences of military service in the Persian Gulf theater of operations and to develop recommendations on avenues for research regarding such health consequences. In Public Law 103-210 [see Tables for classification], the Congress authorized the Department of Veterans Affairs to provide health care services on a priority basis to Persian Gulf War veterans. The Congress also provided in Public Law 103-160 (the National Defense Authorization Act for Fiscal Year 1994) [see Tables for classification] for the establishment of a specialized environmental medical facility for the conduct of research into the possible health effects of exposure to low levels of hazardous chemicals, especially among Persian Gulf veterans, and for research into the possible health effects of battlefield exposure in such veterans to depleted uranium.

“(6) In response to concerns about the lack of objective research on Gulf War illnesses, Congress included research provisions in the National Defense Authorization Act for Fiscal Year 1995 [Pub. L. 103-337, see Tables for classification], which was passed by the House and Senate in September 1994. This legislation requires the Secretary of Defense to provide research grants to non-Federal researchers to support three types of studies of the Gulf War syndrome. The first type of study will be an epidemiological study or studies of the incidence, prevalence, and nature of the illness and symptoms and the risk factors associated with symptoms or illnesses. This will include illnesses among spouses and birth defects and illnesses among offspring born before and after the Gulf War. The second group of studies shall be conducted to determine the health consequences of the use of pyridostigmine bromide as a pretreatment antidote enhancer during the Persian Gulf War, alone or in combination with exposure to pesticides, environmental toxins, and other hazardous substances. The final group of studies shall include clinical research and other studies on the causes, possible transmission, and treatment of Gulf War syndrome, and will include studies of veterans and their spouses and children.

“(7) Further research and studies must be undertaken to determine the underlying causes of the illnesses suffered by Persian Gulf War veterans and, pending the outcome of such research, veterans who are seriously ill as the result of such illnesses should be given the benefit of the doubt and be provided compensation benefits to offset the impairment in earnings capacities they may be experiencing.

“SEC. 103. PURPOSES.

“The purposes of this title [see Short Title of 1994 Amendments note under section 101 of this title] are—

“(1) to provide compensation to Persian Gulf War veterans who suffer disabilities resulting from illnesses that cannot now be diagnosed or defined, and for which other causes cannot be identified;

“(2) to require the Secretary of Veterans Affairs to develop at the earliest possible date case assessment

strategies and definitions or diagnoses of such illnesses;

“(3) to promote greater outreach to Persian Gulf War veterans and their families to inform them of ongoing research activities, as well as the services and benefits to which they are currently entitled; and

“(4) to ensure that research activities and accompanying surveys of Persian Gulf War veterans are appropriately funded and undertaken by the Department of Veterans Affairs.

“SEC. 104. DEVELOPMENT OF MEDICAL EVALUATION PROTOCOL.

“(a) UNIFORM MEDICAL EVALUATION PROTOCOL.—(1) The Secretary of Veterans Affairs shall develop and implement a uniform and comprehensive medical evaluation protocol that will ensure appropriate medical assessment, diagnosis, and treatment of Persian Gulf War veterans who are suffering from illnesses the origins of which are (as of the date of the enactment of this Act [Nov. 2, 1994]) unknown and that may be attributable to service in the Southwest Asia theater of operations during the Persian Gulf War. The protocol shall include an evaluation of complaints relating to illnesses involving the reproductive system.

“(2) If such a protocol is not implemented before the end of the 120-day period beginning on the date of the enactment of this Act [Nov. 2, 1994], the Secretary shall, before the end of such period, submit to the Committees on Veterans' Affairs of the Senate and House of Representatives a report as to why such a protocol has not yet been developed.

“(3)(A) The Secretary shall ensure that the evaluation under the protocol developed under this section is available at all Department medical centers that have the capability of providing the medical assessment, diagnosis, and treatment required under the protocol.

“(B) The Secretary may enter into contracts with non-Department medical facilities for the provision of the evaluation under the protocol.

“(C) In the case of a veteran whose residence is distant from a medical center described in subparagraph (A), the Secretary may provide the evaluation through a Department medical center described in that subparagraph and, in such a case, may provide the veteran the travel and incidental expenses therefor pursuant to the provisions of section 111 of title 38, United States Code.

“(4)(A) If the Secretary is unable to diagnose the symptoms or illness of a veteran provided an evaluation, or if the symptoms or illness of a veteran do not respond to treatment provided by the Secretary, the Secretary may use the authority in section 1703 of title 38, United States Code, in order to provide for the veteran to receive diagnostic tests or treatment at a non-Department medical facility that may have the capability of diagnosing or treating the symptoms or illness of the veteran. The Secretary may provide the veteran the travel and incidental expenses therefor pursuant to the provisions of section 111 of title 38, United States Code.

“(B) The Secretary shall request from each non-Department medical facility that examines or treats a veteran under this paragraph such information relating to the diagnosis or treatment as the Secretary considers appropriate.

“(5) In each year after the implementation of the protocol, the Secretary shall enter into an agreement with the National Academy of Sciences under which agreement appropriate experts shall review the adequacy of the protocol and its implementation by the Department of Veterans Affairs.

“(b) RELATIONSHIP TO OTHER COMPREHENSIVE CLINICAL EVALUATION PROTOCOLS.—The Secretary, in consultation with the Secretary of Defense, shall ensure that the information collected through the protocol described in this section is collected and maintained in a manner that permits the effective and efficient cross-reference of that information with information collected and maintained through the comprehensive clinical

protocols of the Department of Defense for Persian Gulf War veterans.

“(c) CASE DEFINITIONS AND DIAGNOSES.—The Secretary shall develop case definitions or diagnoses for illnesses associated with the service described in subsection (a)(1). The Secretary shall develop such definitions or diagnoses at the earliest possible date.

“SEC. 105. OUTREACH TO PERSIAN GULF VETERANS.

“(a) IN GENERAL.—The Secretary of Veterans Affairs shall implement a comprehensive outreach program to inform Persian Gulf War veterans and their families of the medical care and other benefits that may be provided by the Department of Veterans Affairs and the Department of Defense arising from service in the Persian Gulf War.

“(b) NEWSLETTER.—(1) The outreach program shall include a newsletter which shall be updated and distributed at least semi-annually and shall be distributed to the veterans listed on the Persian Gulf War Veterans Health Registry. The newsletter shall include summaries of the status and findings of Government sponsored research on illnesses of Persian Gulf War veterans and their families, as well as on benefits available to such individuals through the Department of Veterans Affairs. The newsletter shall be prepared in consultation with veterans service organizations.

“(2) The requirement under this subsection for the distribution of the newsletter shall terminate on December 31, 2003.

“(c) TOLL-FREE NUMBER.—The outreach program shall include establishment of a toll-free telephone number to provide Persian Gulf War veterans and their families information on the Persian Gulf War Veterans Health Registry, health care and other benefits provided by the Department of Veterans Affairs, and such other information as the Secretary considers appropriate. Such toll-free telephone number shall be established not later than 90 days after the date of the enactment of this Act [Nov. 2, 1994].

“SEC. 107. EVALUATION OF HEALTH STATUS OF SPOUSES AND CHILDREN OF PERSIAN GULF WAR VETERANS.

“(a) EVALUATION PROGRAM.—Subject to subsection (c), the Secretary of Veterans Affairs shall conduct a program to evaluate the health status of spouses and children of Persian Gulf War veterans. Under the program, the Secretary shall provide for the conduct of diagnostic testing and appropriate medical examinations of any individual—

“(1) who is the spouse or child of a veteran who—

“(A) is listed in the Persian Gulf War Veterans Registry established under section 702 of Public Law 102-585 [set out in a note under section 527 of this title]; and

“(B) is suffering from an illness or disorder;

“(2) who is apparently suffering from, or may have suffered from, an illness or disorder (including a birth defect, miscarriage, or stillbirth) which cannot be disassociated from the veteran's service in the Southwest Asia theater of operations; and

“(3) who, in the case of a spouse, has granted the Secretary permission to include in the Registry relevant medical data (including a medical history and the results of diagnostic testing and medical examinations) and such other information as the Secretary considers relevant and appropriate with respect to such individual.

“(b) DURATION OF PROGRAM.—The program shall be carried out during the period beginning on November 1, 1994, and ending on December 31, 2003.

“(c) FUNDING LIMITATION.—The amount spent for the program under subsection (a) may not exceed \$2,000,000.

“(d) CONTRACTING.—The Secretary may provide for the conduct of testing and examinations under subsection (a) through appropriate contract arrangements, including fee arrangements described in section 1703 of title 38, United States Code.

“(e) STANDARD PROTOCOLS AND GUIDELINES.—The Secretary shall seek to ensure uniform development of

medical data through the development of standard protocols and guidelines for such testing and examinations. If such protocols and guidelines have not been adopted before the end of the 120-day period beginning on the date of the enactment of this Act [Nov. 2, 1994], the Secretary shall, before the end of such period, submit to the Committees on Veterans' Affairs of the Senate and House of Representatives a report as to why such protocols and guidelines have not yet been developed.

“(f) ENTRY OF RESULTS IN REGISTRY.—The results of diagnostic tests, medical histories, and medical examinations conducted under subsection (a) shall be entered into the Persian Gulf War Veterans Health Registry.

“(g) OUTREACH.—The Secretary shall conduct such outreach activities as the Secretary determines necessary for the purposes of the program. In conducting such outreach activities, the Secretary shall advise that medical treatment is not available under the program.

“(h) USE OUTSIDE DEPARTMENT OF STANDARD PROTOCOLS AND GUIDELINES.—The Secretary shall—

“(1) make the standard protocols and guidelines developed under this section available to any entity which requests a copy of such protocols and guidelines; and

“(2) enter into the registry the results of any examination of the spouse or child of a veteran who served in the Persian Gulf theater which a licensed physician certifies was conducted using those standard protocols and guidelines.

“(i) REPORT TO CONGRESS.—Not later than July 31, 1999, the Secretary shall submit to the Committees on Veterans' Affairs of the Senate and House of Representatives a report on activities with respect to the program, including the provision of services under subsection (d).

“(j) DEFINITIONS.—For purposes of this section, the terms ‘child’ and ‘spouse’ have the meanings given those terms in paragraphs (4) and (31), respectively, of section 101 of title 38, United States Code.

“SEC. 109. SURVEY OF PERSIAN GULF VETERANS.

“(a) IN GENERAL.—The Secretary of Veterans Affairs may carry out a survey of Persian Gulf veterans to gather information on the incidence and nature of health problems occurring in Persian Gulf veterans and their families.

“(b) COORDINATION WITH DEPARTMENT OF DEFENSE.—Any survey under subsection (a) shall be carried out in coordination with the Secretary of Defense.

“(c) PERSIAN GULF VETERAN.—For purposes of this section, a Persian Gulf veteran is an individual who served on active duty in the Armed Forces in the Southwest Asia theater of operations during the Persian Gulf War as defined in section 101(33) of title 38, United States Code.

“SEC. 110. AUTHORIZATION FOR EPIDEMIOLOGICAL STUDIES.

“(a) STUDY OF HEALTH CONSEQUENCES OF PERSIAN GULF SERVICE.—If the National Academy of Sciences includes in the report required by section 706(b) of the Veterans Health Care Act of 1992 (Public Law 102-585) [set out in a note under section 527 of this title] a finding that there is a sound basis for an epidemiological study or studies on the health consequences of service in the Persian Gulf theater of operations during the Persian Gulf War and recommends the conduct of such a study or studies, the Secretary of Veterans Affairs is authorized to carry out such study.

“(b) OVERSIGHT.—(1) The Secretary shall seek to enter into an agreement with the Medical Follow-Up Agency (MFUA) of the Institute of Medicine of the National Academy of Sciences for (A) the review of proposals to conduct the research referred to in subsection (a), (B) oversight of such research, and (C) review of the research findings.

“(2) If the Secretary is unable to enter into an agreement under paragraph (1) with the entity specified in that paragraph, the Secretary shall enter into an

agreement described in that paragraph with another appropriate scientific organization which does not have a connection to the Department of Veterans Affairs. In such a case, the Secretary shall submit to the Committees on Veterans' Affairs of the Senate and House of Representatives, at least 90 days before the date on which the agreement is entered into, notice in writing identifying the organization with which the Secretary intends to enter into the agreement.

“(c) ACCESS TO DATA.—The Secretary shall enter into agreements with the Secretary of Defense and the Secretary of Health and Human Services to make available for the purposes of any study described in subsection (a) all data that the Secretary, in consultation with the National Academy of Sciences and the contractor for the study, considers relevant to the study.

“(d) AUTHORIZATION.—There are authorized to be appropriated to the Department such sums as are necessary for the conduct of studies described in subsection (a).”

L. 104-262, title III, §352(b), Oct. 9, 1996, 110 Stat. 3211, provided that: “Any diagnostic testing and medical examinations undertaken by the Secretary of Veterans Affairs for the purpose of the study required by subsection (a) of such section [section 107(a) of Pub. L. 103-446, set out above] during the period beginning on October 1, 1996, and ending on the date of the enactment of this Act [Oct. 9, 1996] is hereby ratified.”]

§ 1118. Presumptions of service connection for illnesses associated with service in the Persian Gulf during the Persian Gulf War

(a)(1) For purposes of section 1110 of this title, and subject to section 1113 of this title, each illness, if any, described in paragraph (2) shall be considered to have been incurred in or aggravated by service referred to in that paragraph, notwithstanding that there is no record of evidence of such illness during the period of such service.

(2) An illness referred to in paragraph (1) is any diagnosed or undiagnosed illness that—

(A) the Secretary determines in regulations prescribed under this section to warrant a presumption of service connection by reason of having a positive association with exposure to a biological, chemical, or other toxic agent, environmental or wartime hazard, or preventive medicine or vaccine known or presumed to be associated with service in the Armed Forces in the Southwest Asia theater of operations during the Persian Gulf War; and

(B) becomes manifest within the period, if any, prescribed in such regulations in a veteran who served on active duty in that theater of operations during that war and by reason of such service was exposed to such agent, hazard, or medicine or vaccine.

(3) For purposes of this subsection, a veteran who served on active duty in the Southwest Asia theater of operations during the Persian Gulf War and has an illness described in paragraph (2) shall be presumed to have been exposed by reason of such service to the agent, hazard, or medicine or vaccine associated with the illness in the regulations prescribed under this section unless there is conclusive evidence to establish that the veteran was not exposed to the agent, hazard, or medicine or vaccine by reason of such service.

(4) For purposes of this section, signs or symptoms that may be a manifestation of an undiagnosed illness include the signs and symptoms listed in section 1117(g) of this title.

(b)(1)(A) Whenever the Secretary makes a determination described in subparagraph (B), the Secretary shall prescribe regulations providing that a presumption of service connection is warranted for the illness covered by that determination for purposes of this section.

(B) A determination referred to in subparagraph (A) is a determination based on sound

medical and scientific evidence that a positive association exists between—

(i) the exposure of humans or animals to a biological, chemical, or other toxic agent, environmental or wartime hazard, or preventive medicine or vaccine known or presumed to be associated with service in the Southwest Asia theater of operations during the Persian Gulf War; and

(ii) the occurrence of a diagnosed or undiagnosed illness in humans or animals.

(2)(A) In making determinations for purposes of paragraph (1), the Secretary shall take into account—

(i) the reports submitted to the Secretary by the National Academy of Sciences under section 1603 of the Persian Gulf War Veterans Act of 1998; and

(ii) all other sound medical and scientific information and analyses available to the Secretary.

(B) In evaluating any report, information, or analysis for purposes of making such determinations, the Secretary shall take into consideration whether the results are statistically significant, are capable of replication, and withstand peer review.

(3) An association between the occurrence of an illness in humans or animals and exposure to an agent, hazard, or medicine or vaccine shall be considered to be positive for purposes of this subsection if the credible evidence for the association is equal to or outweighs the credible evidence against the association.

(c)(1) Not later than 60 days after the date on which the Secretary receives a report from the National Academy of Sciences under section 1603 of the Persian Gulf War Veterans Act of 1998, the Secretary shall determine whether or not a presumption of service connection is warranted for each illness, if any, covered by the report.

(2) If the Secretary determines under this subsection that a presumption of service connection is warranted, the Secretary shall, not later than 60 days after making the determination, issue proposed regulations setting forth the Secretary's determination.

(3)(A) If the Secretary determines under this subsection that a presumption of service connection is not warranted, the Secretary shall, not later than 60 days after making the determination, publish in the Federal Register a notice of the determination. The notice shall include an explanation of the scientific basis for the determination.

(B) If an illness already presumed to be service connected under this section is subject to a determination under subparagraph (A), the Secretary shall, not later than 60 days after publication of the notice under that subparagraph, issue proposed regulations removing the presumption of service connection for the illness.

(4) Not later than 90 days after the date on which the Secretary issues any proposed regulations under this subsection, the Secretary shall issue final regulations. Such regulations shall be effective on the date of issuance.

(d) Whenever the presumption of service connection for an illness under this section is removed under subsection (c)—

(1) a veteran who was awarded compensation for the illness on the basis of the presumption before the effective date of the removal of the presumption shall continue to be entitled to receive compensation on that basis; and

(2) a survivor of a veteran who was awarded dependency and indemnity compensation for the death of a veteran resulting from the illness on the basis of the presumption before that date shall continue to be entitled to receive dependency and indemnity compensation on that basis.

(e) Subsections (b) through (d) shall cease to be effective on September 30, 2011.

(a) Compensation under this chapter and dependency and indemnity compensation under chapter 13 of this title shall be awarded for a qualifying additional disability or a qualifying death of a veteran in the same manner as if such additional disability or death were service-connected. For purposes of this section, a disability or death is a qualifying additional disability or qualifying death if the disability or death was not the result of the veteran's willful misconduct and—

(1) the disability or death was caused by hospital care, medical or surgical treatment, or examination furnished the veteran under any law administered by the Secretary, either by a

Department employee or in a Department facility as defined in section 1701(3)(A) of this title, and the proximate cause of the disability or death was—

(A) carelessness, negligence, lack of proper skill, error in judgment, or similar instance of fault on the part of the Department in furnishing the hospital care, medical or surgical treatment, or examination; or

(B) an event not reasonably foreseeable; or

(2) the disability or death was proximately caused (A) by the provision of training and rehabilitation services by the Secretary (including by a service-provider used by the Secretary for such purpose under section 3115 of this title) as part of an approved rehabilitation program under chapter 31 of this title, or (B) by participation in a program (known as a “compensated work therapy program”) under section 1718 of this title.

(b)(1) Where an individual is, on or after December 1, 1962, awarded a judgment against the United States in a civil action brought pursuant to section 1346(b) of title 28 or, on or after December 1, 1962, enters into a settlement or compromise under section 2672 or 2677 of title 28 by reason of a disability or death treated pursuant to this section as if it were service-connected, then (except as otherwise provided in paragraph (2)) no benefits shall be paid to such individual for any month beginning after the date such judgment, settlement, or compromise on account of such disability or death becomes final until the aggregate amount of benefits which would be paid but for this subsection equals the total amount included in such judgment, settlement, or compromise.

(2) In the case of a judgment, settlement, or compromise covered by paragraph (1) that becomes final on or after the date of the enactment of this paragraph and that includes an amount that is specifically designated for a purpose for which benefits are provided under chapter 21 or 39 of this title (hereinafter in this paragraph referred to as the “offset amount”), if such judgment, settlement, or compromise becomes final before the date of the award of benefits under chapter 21 or 39 for the purpose for which the offset amount was specifically designated—

(A) the amount of such award shall be reduced by the offset amount; and

(B) if the offset amount is greater than the amount of such award, the excess amount received pursuant to the judgment, settlement or compromise, shall be offset against benefits otherwise payable under this chapter.

(c) A qualifying additional disability under this section shall be treated in the same manner as if it were a service-connected disability for purposes of the following provisions of this title:

(1) Chapter 21, relating to specially adapted housing.

1969—Pub. L. 91-24 substituted “, on or after December 1, 1962,” for “hereafter” wherever appearing.

1962—Pub. L. 87-825 provided that where an individual is awarded a judgment under section 1346(b) of title 28, enters a settlement or compromise under section 2672 or 2677 of such title by reason of a disability, aggravation, or death treated pursuant to this section as if service-connected, then no benefits shall be paid such individual for any month beginning after such judgment, settlement or compromise becomes final until the aggregate amount of benefits equals the total amount included in such judgment, settlement, or compromise, and struck out provisions which required that no benefits were to be awarded unless application was made therefor within two years after an injury or aggravation was suffered, or a death occurred.

Service-connection of such injury or disease may be rebutted by clear and convincing evidence to the contrary. The reasons for granting or denying service-connection in each case shall be recorded in full.

VETERANS’ DIOXIN AND RADIATION EXPOSURE COMPENSATION STANDARDS; CONGRESSIONAL FINDINGS AND STATEMENT OF PURPOSE

Pub. L. 98-542, §1-3, Oct. 24, 1984, 98 Stat. 2725, 2727, as amended by Pub. L. 102-4, §10(a), (b), Feb. 6, 1991, 105 Stat. 19, provided that:

“SHORT TITLE

“SECTION 1. This Act [amending this section, enacting provisions set out as notes under this section, and amending provisions set out as notes under this section and section 1116 of this title] may be cited as the ‘Veterans’ Dioxin and Radiation Exposure Compensation Standards Act’.

“FINDINGS

“SEC. 2. The Congress makes the following findings:

“(1) Veterans who served in the Republic of Vietnam during the Vietnam era and veterans who participated in atmospheric nuclear tests or the American occupation of Hiroshima or Nagasaki, Japan, are deeply concerned about possible long-term health effects of exposure to herbicides containing dioxin or to ionizing radiation.

“(2) There is scientific and medical uncertainty regarding such long-term adverse health effects.

“(3) In section 102 of Public Law 97-22 [see Tables for classification], the Congress responded to that uncertainty by authorizing priority medical care at

Veterans' Administration [now Department of Veterans Affairs] facilities for any disability of a veteran who may have been so exposed (even though there is insufficient medical evidence linking such disability with such exposure) unless the disability is found to have resulted from a cause other than the exposure.

“(4) The Congress has further responded to that medical and scientific uncertainty by requiring, in section 307 of Public Law 96-151 [set out as a note under section 1116 of this title] and section 601 of Public Law 98-160 [set out below], the conduct of thorough epidemiological studies of the health effects experienced by veterans in connection with exposure both to herbicides containing dioxin and (if not determined to be scientifically infeasible) to radiation, and by requiring in Public Law 97-414 [see Tables for classification], the development of radioepidemiological tables setting forth the probabilities of causation between various cancers and exposure to radiation.

“(5) There is some evidence that most types of leukemia, malignancies of the thyroid, female breast, lung, bone, liver, and skin, and polycythemia vera are associated with exposure to certain levels of ionizing radiation.

“(6) As of the date of the enactment of this Act [Oct. 24, 1984], there are sixty-six federally sponsored research projects being conducted relating to herbicides containing dioxin, at a cost to the Federal Government in excess of \$130,000,000 and, as of 1981, federally sponsored research projects relating to ionizing radiation were costing the Federal Government more than \$115,000,000.

“(7) The initial results of one project—an epidemiological study, conducted by the United States Air Force School of Aerospace Medicine, of the health status of the ‘Ranch Hand’ veterans who carried out the loading and aerial spraying of herbicides containing dioxin in Vietnam and in the process came into direct skin contact with such herbicides in their most concentrated liquid form—were released on February 24, 1984, and contained the conclusion ‘that there is insufficient evidence to support a cause and effect relationship between herbicide exposure and adverse health in the Ranch Hand group at this time’.

“(8) The ‘film badges’ which were originally issued to members of the Armed Forces in connection with the atmospheric nuclear test program have previously constituted a primary source of dose information for veterans (and survivors of veterans) filing claims for Veterans' Administration [now Department of Veterans Affairs] disability compensation or dependency and indemnity compensation in connection with exposure to radiation.

“(9) These film badges often provide an incomplete measure of radiation exposure, since they were not capable of recording inhaled, ingested, or neutron doses (although the Defense Nuclear Agency currently has the capability to reconstruct individual estimates of such doses), were not issued to most of the participants in nuclear tests, often provided questionable readings because they were shielded during the detonation, and were worn for only limited periods during and after each nuclear detonation.

“(10) Standards governing the reporting of dose estimates in connection with radiation-related claims for Veterans' Administration [now Department of Veterans Affairs] disability compensation vary among the several branches of the Armed Forces, and no uniform minimum standards exist.

“(11) The Veterans' Administration [now Department of Veterans Affairs] has not promulgated permanent regulations setting forth specific guidelines, standards, and criteria for the adjudication of claims for Veterans' Administration disability compensation based on exposure to herbicides containing dioxin or to ionizing radiation.

“(12) Such claims (especially those involving health effects with long latency periods) present adjudicatory issues which are significantly different from is-

suues generally presented in claims based upon the usual types of injuries incurred in military service.

“(13) It has always been the policy of the Veterans' Administration [now Department of Veterans Affairs] and is the policy of the United States, with respect to individual claims for service connection of diseases and disabilities, that when, after consideration of all evidence and material of record, there is an approximate balance of positive and negative evidence regarding the merits of an issue material to the determination of a claim, the benefit of the doubt in resolving each such issue shall be given to the claimant.

“PURPOSE

“SEC. 3. The purpose of this Act is to ensure that Veterans' Administration [now Department of Veterans Affairs] disability compensation is provided to veterans who were exposed to ionizing radiation in connection with atmospheric nuclear tests or in connection with the American occupation of Hiroshima or Nagasaki, Japan, for all disabilities arising after that service that are connected, based on sound scientific and medical evidence, to such service (and that Veterans' Administration dependency and indemnity compensation is provided to survivors of those veterans for all deaths resulting from such disabilities).”

[Amendment by Pub. L. 102-4 to sections 2 and 3 of Pub. L. 98-542, set out above, effective at the end of the six-month period beginning on Feb. 6, 1991, except as otherwise provided, see section 10(e) of Pub. L. 102-4, set out below under sections 5 to 7 of Pub. L. 98-542.]

REQUIREMENT FOR AND CONTENT OF REGULATIONS; ADVISORY COMMITTEE ON ENVIRONMENTAL STANDARDS; NUCLEAR RADIATION MATTERS INVOLVING OTHER AGENCIES

Pub. L. 98-542, §5-7, Oct. 24, 1984, 98 Stat. 2727-2730, as amended by Pub. L. 100-321, §2(c), May 20, 1988, 102 Stat. 486; Pub. L. 102-4, §10(c), (d), Feb. 6, 1991, 105 Stat. 19, 20; Pub. L. 102-83, §5(c)(2), Aug. 6, 1991, 105 Stat. 406, provided that:

“REQUIREMENT FOR AND CONTENT OF REGULATIONS

“SEC. 5. (a) In carrying out the responsibilities of the Administrator of Veterans' Affairs [now Secretary of Veterans Affairs] under section 1154(a)(2) [formerly 354(a)(2)] of title 38, United States Code, and in order to promote consistency in claims processing and decisions, the Administrator shall prescribe regulations to—

“(1) establish guidelines and (where appropriate) standards and criteria for the resolution of claims for benefits under laws administered by the Veterans' Administration [now Department of Veterans Affairs] where the criteria for eligibility for a benefit include a requirement that a death or disability be service connected and the claim of service connection is based on a veteran's exposure during service in connection with such veteran's participation in atmospheric nuclear tests or with the American occupation of Hiroshima or Nagasaki, Japan, prior to July 1, 1946, to ionizing radiation from the detonation of a nuclear device; and

“(2) ensure that, with respect to those claims, the policy of the United States described in section 2(13) [set out above] is carried out.

“(b)(1)(A) The guidelines required to be established in regulations prescribed under this section shall include guidelines governing the evaluation of the findings of scientific studies relating to the possible increased risk of adverse health effects of exposure to ionizing radiation. Those guidelines shall require that, in the evaluation of those studies, the Administrator [now Secretary] shall take into account whether the results are statistically significant, are capable of replication, and withstand peer review.

“(B) The evaluations described in subparagraph (A) shall be made by the Administrator of Veterans' Affairs

[now Secretary of Veterans Affairs] after receiving the advice of the Scientific Council of the Veterans' Advisory Committee on Environmental Hazards (established under section 6). Those evaluations shall be published in the notice section of the Federal Register.

“(C) The standards and criteria required to be established in regulations prescribed under this section shall include provisions governing the use in the adjudication of individual claims of the Administrator's [now Secretary's] evaluations made under subparagraph (B).

“(2)(A)(i) In prescribing regulations under this section, the Administrator [now Secretary] (after receiving the advice of the Advisory Committee and of the Scientific Council of the Veterans' Advisory Committee on Environmental Hazards regarding the diseases described in subparagraph (B)) shall make determinations, based on sound medical and scientific evidence, with respect to each disease described in subparagraph (B) as to whether service connection shall, subject to division (ii) of this subparagraph, be granted in the adjudication of individual cases. In making determinations regarding such diseases, the Administrator shall give due regard to the need to maintain the policy of the United States with respect to the resolution of contested issues as set forth in section 2(13) [set out above]. The Administrator shall set forth in such regulations such determinations, with any specification (relating to exposure or other relevant matter) of limitations on the circumstances under which service connection shall be granted, and shall implement such determinations in accordance with such regulations.

“(ii) If the Administrator [now Secretary] makes a determination, pursuant to this subparagraph, that service connection shall be granted in the case of a disease described in subparagraph (B), the Administrator shall specify in such regulations that, in the adjudication of individual cases, service connection shall not be granted where there is sufficient affirmative evidence to the contrary or evidence to establish that an intercurrent injury or disease which is a recognized cause of the described disease has been suffered between the date of separation from service and the onset of such disease or that the disability is due to the veteran's own willful misconduct.

“(iii) With regard to each disease described in subparagraph (B), the Administrator [now Secretary] shall include in the regulations prescribed under this section provisions specifying the factors to be considered in adjudicating issues relating to whether or not service connection should be granted in individual cases and the circumstances governing the granting of service connection for such disease.

“(B) The diseases referred to in subparagraph (A) are those specified in section 2(5) [set out above] and any other disease with respect to which the Administrator [now Secretary] finds (after receiving and considering the advice of the Scientific Council established under section 6(d)(2)) that there is sound scientific or medical evidence indicating a connection to exposure to ionizing radiation, in the case of a veteran who was exposed to ionizing radiation in connection with such veteran's participation in an atmospheric nuclear test or with the American occupation of Hiroshima or Nagasaki, Japan, before July 1, 1946.

“(3) The regulations prescribed under this section shall include—

“(A) specification of the maximum period of time after exposure to such ionizing radiation for the development of those diseases; and

“(B) a requirement that a claimant filing a claim based upon a veteran's exposure to ionizing radiation from the detonation of a nuclear device may not be required to produce evidence substantiating the veteran's exposure during active military, naval, or air service if the information in the veteran's service records and other records of the Department of Defense is not inconsistent with the claim that the veteran was present where and when the claimed exposure occurred.

“(c)(1) The Administrator of Veterans' Affairs [now Secretary of Veterans Affairs] shall develop the regula-

tions required by this section (and any amendment to those regulations) through a public review and comment process in accordance with the provisions of section 553 of title 5, United States Code. That process may include consideration by the Administrator of the recommendations of the Veterans' Advisory Committee on Environmental Hazards and the Scientific Council thereof (established under section 6) with respect to the proposed regulations, and that process shall include consideration by the Administrator of the recommendations of the Committee and the Council with respect to the final regulations and proposed and final amendments to such regulations. The period for public review and comment shall be completed not later than ninety days after the proposed regulations or proposed amendments are published in the Federal Register.

“(2)(A) Not later than one hundred and eighty days after the date of the enactment of this Act [Oct. 24, 1984], the Administrator [now Secretary] shall develop and publish in the Federal Register a proposed version of the regulations required to be prescribed by this section.

“(B) Not later than three hundred days after the date of the enactment of this Act [Oct. 24, 1984], the Administrator [now Secretary] shall publish in the Federal Register the final regulations (together with explanations of the bases for the guidelines, standards, and criteria contained therein) required to be prescribed by this section.

“ADVISORY COMMITTEE ON ENVIRONMENTAL HAZARDS

§ 1155. Authority for schedule for rating disabilities

The Secretary shall adopt and apply a schedule of ratings of reductions in earning capacity from specific injuries or combination of injuries. The ratings shall be based, as far as practicable, upon the average impairments of earning capacity resulting from such injuries in civil occupations. The schedule shall be constructed so as to provide ten grades of disability and no more, upon which payments of compensation shall be based, namely, 10 percent, 20 percent, 30 percent, 40 percent, 50 percent, 60 percent, 70 percent, 80 percent, 90 percent, and total, 100 percent. The Secretary shall from time to time readjust this schedule of ratings in accordance with experience. However, in no event shall such a readjustment in the rating schedule cause a veteran's disability rating in effect on the effective date of the readjustment to be reduced unless an improvement in the veteran's disability is shown to have occurred.

In determining the period of a veteran's disability for purposes of the preceding sentence, only periods in which the veteran was married to the surviving spouse shall be considered.

(3) In the case of dependency and indemnity compensation paid to a surviving spouse that is predicated on the death of a veteran before January 1, 1993, the monthly rate of such compensation shall be the amount based on the pay grade of such veteran, as set forth in the following table, if the amount is greater than the total amount determined with respect to that veteran under paragraphs (1) and (2):

(d) The monthly rate of dependency and indemnity compensation payable to a surviving spouse shall be increased by \$135 if the surviving spouse is, by reason of disability, permanently housebound but does not qualify for the aid and attendance allowance under subsection (c) of this section. For the purposes of this subsection, the requirement of “permanently housebound” will be considered to have been met when the surviving spouse is substantially confined to such surviving spouse's home (ward or clinical areas, if institutionalized) or immediate premises by reason of a disability or disabilities which it is reasonably certain will remain throughout such surviving spouse's lifetime.

(e) In the case of an individual who is eligible for dependency and indemnity compensation under this section by reason of section 103(d)(2)(B) of this title who is also eligible for benefits under another provision of law by reason of such individual's status as the surviving spouse of a veteran, then, notwithstanding any other provision of law (other than section 5304(b)(3) of this title), no reduction in benefits under such other provision of law shall be made by reason of such individual's eligibility for benefits under this section.

§ 1524. Vocational training for certain pension recipients

(a)(1) In the case of a veteran under age 45 who is awarded a pension during the program period, the Secretary shall, based on information on file with the Department of Veterans Affairs, make a preliminary finding whether such veteran, with the assistance of a vocational training program under this section, has a good potential for achieving employment. If such potential is found to exist, the Secretary shall solicit from the veteran an application for vocational training under this section. If the veteran thereafter applies for such training, the Secretary shall

provide the veteran with an evaluation, which may include a personal interview, to determine whether the achievement of a vocational goal is reasonably feasible.

(2) If a veteran who is 45 years of age or older and is awarded pension during the program period, or a veteran who was awarded pension before the beginning of the program period, applies for vocational training under this section and the Secretary makes a preliminary finding on the basis of information in the application that, with the assistance of a vocational training program under subsection (b) of this section, the veteran has a good potential for achieving employment, the Secretary shall provide the veteran with an evaluation in order to determine whether the achievement of a vocational goal by the veteran is reasonably feasible. Any such evaluation shall include a personal interview by a Department employee trained in vocational counseling.

(3) For the purposes of this section, the term "program period" means the period beginning on February 1, 1985, and ending on December 31, 1995.

(b)(1) If the Secretary, based upon an evaluation under subsection (a) of this section, determines that the achievement of a vocational goal by a veteran is reasonably feasible, the veteran shall be offered and may elect to pursue a vocational training program under this subsection. If the veteran elects to pursue such a program, the program shall be designed in consultation with the veteran in order to meet the veteran's individual needs and shall be set forth in an individualized written plan of vocational rehabilitation of the kind described in section 3107 of this title.

(2)(A) Subject to subparagraph (B) of this paragraph, a vocational training program under this subsection shall consist of vocationally oriented services and assistance of the kind provided under chapter 31 of this title and such other services and assistance of the kind provided under that chapter as are necessary to enable the veteran to prepare for and participate in vocational training or employment.

(B) A vocational training program under this subsection—

(i) may not exceed 24 months unless, based on a determination by the Secretary that an extension is necessary in order for the veteran to achieve a vocational goal identified (before the end of the first 24 months of such program) in the written plan formulated for the veteran, the Secretary grants an extension for a period not to exceed 24 months;

(ii) may not include the provision of any loan or subsistence allowance or any automobile adaptive equipment of the kind provided under chapter 39 of this title; and

(iii) may include a program of education at an institution of higher learning (as defined in sections 3452(b) and 3452(f), respectively, of this title) only in a case in which the Secretary determines that the program involved is predominantly vocational in content.

(3) When a veteran completes a vocational training program under this subsection, the Secretary may provide the veteran with counseling of the kind described in section 3104(a)(2) of this title, placement and postplacement services of

the kind described in section 3104(a)(5) of this title, and training of the kind described in section 3104(a)(6) of this title during a period not to exceed 18 months beginning on the date of such completion.

(4) A veteran may not begin pursuit of a vocational training program under this subsection after the later of (A) December 31, 1995, or (B) the end of a reasonable period of time, as determined by the Secretary, following either the evaluation of the veteran under subsection (a) of this section or the award of pension to the veteran as described in subsection (a)(2) of this section. Any determination by the Secretary of such a reasonable period of time shall be made pursuant to regulations which the Secretary shall prescribe.

(c) In the case of a veteran who has been determined to have a permanent and total non-service-connected disability and who, not later than one year after the date the veteran's eligibility for counseling under subsection (b)(3) of this section expires, secures employment within the scope of a vocational goal identified in the veteran's individualized written plan of vocational rehabilitation (or in a related field which requires reasonably developed skills and the use of some or all of the training or services furnished the veteran under such plan), the evaluation of the veteran as having a permanent and total disability may not be terminated by reason of the veteran's capacity to engage in such employment until the veteran first maintains such employment for a period of not less than 12 consecutive months.

(d) A veteran who pursues a vocational training program under subsection (b) of this section shall have the benefit of the provisions of subsection (a) of section 1525 of this title beginning at such time as the veteran's entitlement to pension is terminated by reason of income from work or training (as defined in subsection (b)(1) of that section) without regard to the date on which the veteran's entitlement to pension is terminated.

(e) Payments by the Secretary for education, training, and other services and assistance under subsection (b) of this section (other than the services of Department employees) shall be made from the Department appropriations account from which payments for pension are made.

§ 1703. Contracts for hospital care and medical services in non-Department facilities

(A) a service-connected disability;

(B) a disability for which a veteran was discharged or released from the active military, naval, or air service; or

(C) a disability of a veteran who has a total disability permanent in nature from a service-connected disability.

(3) Hospital care or medical services for the treatment of medical emergencies which pose a serious threat to the life or health of a vet-

(6) Diagnostic services necessary for determination of eligibility for, or of the appropriate course of treatment in connection with, furnishing medical services at independent Department out-patient clinics to obviate the need for hospital admission.

(7) Outpatient dental services and treatment, and related dental appliances, for a veteran described in section 1712(a)(1)(F) of this title.

(8) Diagnostic services (on an inpatient or outpatient basis) for observation or examination of a person to determine eligibility for a benefit or service under laws administered by the Secretary.

(b) In the case of any veteran for whom the Secretary contracts to furnish care or services in a non-Department facility pursuant to a provision of subsection (a) of this section, the Secretary shall periodically review the necessity for continuing such contractual arrangement pursuant to such provision.

(c) The Secretary shall include in the budget documents which the Secretary submits to Congress for any fiscal year a detailed report on the furnishing of contract care and services during the most recently completed fiscal year under this section, sections 1712A, 1720, 1720A, 1724, and 1732 of this title, and section 115 of the Veterans' Benefits and Services Act of 1988 (Public Law 100-322; 102 Stat. 501).

(d)(1) The Secretary shall conduct a program of recovery audits for fee basis contracts and other medical services contracts for the care of veterans under this section, and for beneficiaries under sections 1781, 1782, and 1783 of this title, with respect to overpayments resulting from processing or billing errors or fraudulent charges in payments for non-Department care and services. The program shall be conducted by contract.

(2) Amounts collected, by setoff or otherwise, as the result of an audit under the program conducted under this subsection shall be available, without fiscal year limitation, for the purposes for which funds are currently available to the Secretary for medical care and for payment to a contractor of a percentage of the amount collected as a result of an audit carried out by the contractor.

(3) The Secretary shall allocate all amounts collected under this subsection with respect to a designated geographic service area of the Veterans Health Administration, net of payments to the contractor, to that region.

(i) a disability that is found, in accordance with guidelines issued by the Under Secretary for Health, to have resulted from a cause other than an exposure described in paragraph (4)(A)(ii); or

(ii) a disease for which the National Academy of Sciences, in a report issued in accordance with section 3 of the Agent Orange Act of 1991, has determined that there is limited or suggestive evidence of the lack of a positive association between occurrence of the disease in humans and exposure to a herbicide agent.

(B) In the case of a veteran described in subparagraph (C), (D), (E), or (F) of paragraph (1), hospital care, medical services, and nursing home care may not be provided under subsection (a)(2)(F) with respect to a disability that is found, in accordance with guidelines issued by the Under Secretary for Health, to have resulted from a cause other than the service or testing described in such subparagraph.

(3) Hospital care, medical services, and nursing home care may not be provided under or by virtue of subsection (a)(2)(F) in the case of care for a veteran described in paragraph (1)(D) who—

(A) is discharged or released from the active military, naval, or air service after the date that is five years before the date of the enactment of the National Defense Authorization Act for Fiscal Year 2008, after a period of five years beginning on the date of such discharge or release; or

(B) is so discharged or released more than five years before the date of the enactment of that Act and who did not enroll in the patient enrollment system under section 1705 of this title before such date, after a period of three years beginning on the date of the enactment of that Act.

(4) For purposes of this subsection—

(A) The term “Vietnam-era herbicide-exposed veteran” means a veteran (i) who served on active duty in the Republic of Vietnam during the period beginning on January 9, 1962, and ending on May 7, 1975, and (ii) who the Secretary finds may have been exposed during such service to dioxin or was exposed during such service to a toxic substance found in a herbicide or defoliant used for military purposes during such period.

(B) The term “radiation-exposed veteran” has the meaning given that term in section 1112(c)(3) of this title.

(5) When the Secretary first provides care for veterans using the authority provided in para-

graph (1)(D), the Secretary shall establish a system for collection and analysis of information on the general health status and health care utilization patterns of veterans receiving care under that paragraph. Not later than 18 months after first providing care under such authority, the Secretary shall submit to Congress a report on the experience under that authority. The Secretary shall include in the report any recommendations of the Secretary for extension of that authority.

(f)(1) The Secretary may not furnish hospital care or nursing home care (except if such care constitutes hospice care) under this section to a veteran who is eligible for such care under subsection (a)(3) of this section unless the veteran agrees to pay to the United States the applicable amount determined under paragraph (2) or (4) of this subsection.

(2) A veteran who is furnished hospital care or nursing home care under this section and who is required under paragraph (1) of this subsection to agree to pay an amount to the United States in order to be furnished such care shall be liable to the United States for an amount equal to—

(A) the lesser of—

(i) the cost of furnishing such care, as determined by the Secretary; or

(ii) the amount determined under paragraph (3) of this subsection; and

(B) before September 30, 2013, an amount equal to \$10 for every day the veteran receives hospital care and \$5 for every day the veteran receives nursing home care.

(3)(A) In the case of hospital care furnished during any 365-day period, the amount referred to in paragraph (2)(A)(ii) of this subsection is—

(i) the amount of the inpatient Medicare deductible, plus

(ii) one-half of such amount for each 90 days of care (or fraction thereof) after the first 90 days of such care during such 365-day period.

(B) In the case of nursing home care furnished during any 365-day period, the amount referred to in paragraph (2)(A)(ii) of this subsection is the amount of the inpatient Medicare deductible for each 90 days of such care (or fraction thereof) during such 365-day period.

(C)(i) Except as provided in clause (ii) of this subparagraph, in the case of a veteran who is admitted for nursing home care under this section after being furnished, during the preceding 365-day period, hospital care for which the veteran has paid the amount of the inpatient Medicare deductible under this subsection and who has not been furnished 90 days of hospital care in connection with such payment, the veteran shall not incur any liability under paragraph (2) of this subsection with respect to such nursing home care until—

(I) the veteran has been furnished, beginning with the first day of such hospital care furnished in connection with such payment, a total of 90 days of hospital care and nursing home care; or

(II) the end of the 365-day period applicable to the hospital care for which payment was made,

whichever occurs first.

² So in original. Probably should read “Myelodysplastic”.

(ii) In the case of a veteran who is admitted for nursing home care under this section after being furnished, during any 365-day period, hospital care for which the veteran has paid an amount under subparagraph (A)(ii) of this paragraph and who has not been furnished 90 days of hospital care in connection with such payment, the amount of the liability of the veteran under paragraph (2) of this subsection with respect to the number of days of such nursing home care which, when added to the number of days of such hospital care, is 90 or less, is the difference between the inpatient Medicare deductible and the amount paid under such subparagraph until—

(I) the veteran has been furnished, beginning with the first day of such hospital care furnished in connection with such payment, a total of 90 days of hospital care and nursing home care; or

(II) the end of the 365-day period applicable to the hospital care for which payment was made,

whichever occurs first.

(D) In the case of a veteran who is admitted for hospital care under this section after having been furnished, during the preceding 365-day period, nursing home care for which the veteran has paid the amount of the inpatient Medicare deductible under this subsection and who has not been furnished 90 days of nursing home care in connection with such payment, the veteran shall not incur any liability under paragraph (2) of this subsection with respect to such hospital care until—

(i) the veteran has been furnished, beginning with the first day of such nursing home care furnished in connection with such payment, a total of 90 days of nursing home care and hospital care; or

(ii) the end of the 365-day period applicable to the nursing home care for which payment was made,

whichever occurs first.

(E) A veteran may not be required to make a payment under this subsection for hospital care or nursing home care furnished under this section during any 90-day period in which the veteran is furnished medical services under paragraph (3) of subsection (a) to the extent that such payment would cause the total amount paid by the veteran under this subsection for hospital care and nursing home care furnished during that period and under subsection (g) for medical services furnished during that period to exceed the amount of the inpatient Medicare deductible in effect on the first day of such period.

(F) A veteran may not be required to make a payment under this subsection or subsection (g) for any days of care in excess of 360 days of care during any 365-calendar-day period.

(4) In the case of a veteran covered by this subsection who is also described by section 1705(a)(7) of this title, the amount for which the veteran shall be liable to the United States for hospital care under this subsection shall be an amount equal to 20 percent of the total amount for which the veteran would otherwise be liable for such care under subparagraphs (2)(B) and (3)(A) but for this paragraph.

(5) For the purposes of this subsection, the term "inpatient Medicare deductible" means the

amount of the inpatient hospital deductible in effect under section 1813(b) of the Social Security Act (42 U.S.C. 1395e(b)) on the first day of the 365-day period applicable under paragraph (3) of this subsection.

(g)(1) The Secretary may not furnish medical services (except if such care constitutes hospice care) under subsection (a) of this section (including home health services under section 1717 of this title) to a veteran who is eligible for hospital care under this chapter by reason of subsection (a)(3) of this section unless the veteran agrees to pay to the United States in the case of each outpatient visit the applicable amount or amounts established by the Secretary by regulation.

(2) A veteran who is furnished medical services under subsection (a) of this section and who is required under paragraph (1) of this subsection to agree to pay an amount to the United States in order to be furnished such services shall be liable to the United States, in the case of each visit in which such services are furnished to the veteran, for an amount which the Secretary shall establish by regulation.

(3) This subsection does not apply with respect to home health services under section 1717 of this title to the extent that such services are for improvements and structural alterations.

(h) Nothing in this section requires the Secretary to furnish care to a veteran to whom another agency of Federal, State, or local government has a duty under law to provide care in an institution of such government.

(H) the treatment of which is medically necessary (i) in preparation for hospital admission, or (ii) for a veteran otherwise receiving care or services under this chapter.

(2) The Secretary concerned shall at the time a member of the Armed Forces is discharged or released from a period of active military, naval, or air service of not less than 180 days or, in the case of a veteran who served on active duty during the Persian Gulf War, 90 days provide to such member a written explanation of the provisions of clause (B) of paragraph (1) of this subsection and enter in the service records of the member a statement signed by the member acknowledging receipt of such explanation (or, if the member refuses to sign such statement, a certification from an officer designated for such purpose by the Secretary concerned that the member was provided such explanation).

(3) The total amount which the Secretary may expend for furnishing, during any twelve-month period, outpatient dental services, treatment, or related dental appliances to a veteran under this section through private facilities for which the Secretary has contracted under clause (1), (2), or (5) of section 1703(a) of this title may not exceed \$1,000 unless the Secretary determines, prior to the furnishing of such services, treatment, or appliances and based on an examination of the veteran by a dentist employed by the Department (or, in an area where no such dentist is available, by a dentist conducting such examination under a contract or fee arrangement), that the furnishing of such services, treatment, or appliances at such cost is reasonably necessary.

(4)(A) Except as provided in subparagraph (B) of this paragraph, in any year in which the President's Budget for the fiscal year beginning October 1 of such year includes an amount for expenditures for contract dental care under the provisions of this subsection and section 1703 of this title during such fiscal year in excess of the level of expenditures made for such purpose during fiscal year 1978, the Secretary shall, not later than February 15 of such year, submit a report to the appropriate committees of the Congress justifying the requested level of expendi-

tures for contract dental care and explaining why the application of the criteria prescribed in section 1703 of this title for contracting with private facilities and in the second sentence of section 1710(c) of this title for furnishing incidental dental care to hospitalized veterans will not preclude the need for expenditures for contract dental care in excess of the fiscal year 1978 level of expenditures for such purpose. In any case in which the amount included in the President's Budget for any fiscal year for expenditures for contract dental care under such provisions is not in excess of the level of expenditures made for such purpose during fiscal year 1978 and the Secretary determines after the date of submission of such budget and before the end of such fiscal year that the level of expenditures for such contract dental care during such fiscal year will exceed the fiscal year 1978 level of expenditures, the Secretary shall submit a report to the appropriate committees of the Congress containing both a justification (with respect to the projected level of expenditures for such fiscal year) and an explanation as required in the preceding sentence in the case of a report submitted pursuant to such sentence. Any report submitted pursuant to this paragraph shall include a comment by the Secretary on the effect of the application of the criteria prescribed in the second sentence of section 1710(c) of this title for furnishing incidental dental care to hospitalized veterans.

(B) A report under subparagraph (A) of this paragraph with respect to a fiscal year is not required if, in the documents submitted by the Secretary to the Congress in justification for the amounts included for Department programs in the President's Budget, the Secretary specifies with respect to contract dental care described in such subparagraph—

(i) the actual level of expenditures for such care in the fiscal year preceding the fiscal year in which such Budget is submitted;

(ii) a current estimate of the level of expenditures for such care in the fiscal year in which such Budget is submitted; and

(iii) the amount included in such Budget for such care.

(b) Dental services and related appliances for a dental condition or disability described in paragraph (1)(B) of subsection (a) shall be furnished on a one-time completion basis, unless the services rendered on a one-time completion basis are found unacceptable within the limitations of good professional standards, in which event such additional services may be afforded as are required to complete professionally acceptable treatment.

(c) Dental appliances, wheelchairs, artificial limbs, trusses, special clothing, and similar appliances to be furnished by the Secretary under this section may be procured by the Secretary either by purchase or by manufacture, whichever the Secretary determines may be advantageous and reasonably necessary.

(d) The Secretary shall furnish to each veteran who is receiving additional compensation or allowance under chapter 11 of this title, or increased pension as a veteran of a period of war, by reason of being permanently housebound or in need of regular aid and attendance, such

drugs and medicines as may be ordered on prescription of a duly licensed physician as specific therapy in the treatment of any illness or injury suffered by such veteran. The Secretary shall continue to furnish such drugs and medicines so ordered to any such veteran in need of regular aid and attendance whose pension payments have been discontinued solely because such veteran's annual income is greater than the applicable maximum annual income limitation, but only so long as such veteran's annual income does not exceed such maximum annual income limitation by more than \$1,000.

(e) In order to assist the Secretary of Health and Human Services in carrying out national immunization programs under other provisions of law, the Secretary may authorize the administration of immunizations to eligible veterans who voluntarily request such immunizations in connection with the provision of care for a disability under this chapter in any Department health care facility. Any such immunization shall be made using vaccine furnished by the Secretary of Health and Human Services at no cost to the Department. For such purpose, notwithstanding any other provision of law, the Secretary of Health and Human Services may provide such vaccine to the Department at no cost. Section 7316 of this title shall apply to claims alleging negligence or malpractice on the part of Department personnel granted immunity under such section.

(2) Paragraph (1) applies to the following:

(A) A veteran's participation in an activity carried out under this section.

(B) A veteran's receipt of a distribution as a result of participation in an activity carried out under this section.

§ 1720. Transfers for nursing home care; adult day health care

(a)(1) Subject to subsection (b) of this section, the Secretary may transfer to a non-Department nursing home, for care at the expense of the United States—

(A) a veteran—

(i) who has been furnished care by the Secretary in a facility under the direct jurisdiction of the Secretary; and

(ii) who the Secretary determines—

(I) requires a protracted period of nursing home care which can be furnished in the non-Department nursing home; and

(i) who has been furnished care in a hospital of the Armed Forces;

(ii) who the Secretary concerned determines has received maximum benefits from such care but requires a protracted period of nursing home care; and

(iii) who upon discharge from the Armed Forces will become a veteran.

(2) The Secretary may transfer a person to a nursing home under this subsection only if the Secretary determines that the cost to the United States of the care of such person in the nursing home will not exceed—

(A) the amount equal to 45 percent of the cost of care furnished by the Department in a general hospital under the direct jurisdiction of the Secretary (as such cost may be determined annually by the Secretary); or

(B) the amount equal to 50 percent of such cost, if such higher amount is determined to be necessary by the Secretary (upon the recommendation of the Under Secretary for Health) to provide adequate care.

(3) Nursing home care may not be furnished under this subsection at the expense of the United States for more than six months in the

aggregate in connection with any one transfer except—

(B) in a case in which the nursing home care is required for a service-connected disability; or

(C) in a case in which, in the judgment of the Secretary, a longer period of nursing home care is warranted.

(4) A veteran who is furnished care by the Secretary in a hospital or domiciliary facility in Alaska or Hawaii may be furnished nursing home care at the expense of the United States under this subsection even if such hospital or domiciliary facility is not under the direct jurisdiction of the Secretary.

(b) No veteran may be transferred or admitted to any institution for nursing home care under this section, unless such institution is determined by the Secretary to meet such standards as the Secretary may prescribe. The standards prescribed and any report of inspection of institutions furnishing care to veterans under this section made by or for the Secretary shall, to the extent possible, be made available to all Federal, State, and local agencies charged with the responsibility of licensing or otherwise regulating or inspecting such institutions.

(c)(1)(A) In furnishing nursing home care, adult day health care, or other extended care services under this section, the Secretary may enter into agreements for furnishing such care or services with—

(2) In applying the provisions of section 6704(a) of title 41 with respect to any contract entered into under this section to provide nursing home care of veterans, the payment of wages not less than those specified in section 6(b) of the Fair Labor Standards Act of 1938 (29 U.S.C. 206(b)) shall be deemed to constitute compliance with such provisions.

(d)(1) Subject to subsection (b) of this section, the Secretary may authorize for any veteran requiring nursing home care for a service-connected disability direct admission for such care at the expense of the United States to any non-

Department nursing home. The Secretary may also authorize a direct admission to such a nursing home for nursing home care for any veteran who has been discharged from a hospital under the direct jurisdiction of the Secretary and who is currently receiving medical services as part of home health services from the Department.

(2) Direct admission authorized by paragraph (1) of this subsection may be authorized upon determination of need therefor—

(A) by a physician employed by the Department; or

(B) in areas where no such physician is available, by a physician carrying out such function under contract or fee arrangement,

based on an examination by such physician.

(3) The amount which may be paid for such care and the length of care available under this subsection shall be the same as authorized under subsection (a) of this section.

(e)(1) The cost of intermediate care for purposes of payment by the United States pursuant to subsection (a)(2)(B) of this section shall be determined by the Secretary except that the rate of reimbursement shall be commensurately less than that provided for nursing home care.

(2) For the purposes of this section, the term “non-Department nursing home” means a public or private institution not under the direct jurisdiction of the Secretary which furnishes nursing home care.

(f)(1)(A) The Secretary may furnish adult day health care services to a veteran enrolled under section 1705(a) of this title who would otherwise require nursing home care.

(B) The Secretary may provide in-kind assistance (through the services of Department employees and the sharing of other Department resources) to a facility furnishing care to veterans under subparagraph (A) of this paragraph. Any such in-kind assistance shall be provided under a contract or agreement between the Secretary and the facility concerned. The Secretary may provide such assistance only for use solely in the furnishing of adult day health care and only if, under such contract or agreement, the Department receives reimbursement for the full cost of such assistance, including the cost of services and supplies and normal depreciation and amortization of equipment. Such reimbursement may be made by reduction in the charges to the United States or by payment to the United States. Any funds received through such reimbursement shall be credited to funds allotted to the Department facility that provided the assistance.

(2) The Secretary may conduct, at facilities over which the Secretary has direct jurisdiction, programs for the furnishing of adult day health care to veterans who are eligible for such care under paragraph (1) of this subsection, except that necessary travel and incidental expenses (or transportation in lieu thereof) may be furnished under such a program only under the terms and conditions set forth in section 111 of this title. The furnishing of care under any such program shall be subject to the limitations that are applicable to the duration of adult day health care furnished under paragraph (1) of this subsection.

(g) The Secretary may contract with appropriate entities to provide specialized residential

care and rehabilitation services to a veteran of Operation Enduring Freedom or Operation Iraqi Freedom who the Secretary determines suffers from a traumatic brain injury, has an accumulation of deficits in activities of daily living and instrumental activities of daily living, and because of these deficits, would otherwise require admission to a nursing home even though such care would generally exceed the veteran's nursing needs.

SUBSTANCE USE DISORDERS AND MENTAL HEALTH CARE

Pub. L. 110-387, title I, §§102-105, Oct. 10, 2008, 122 Stat. 4112-4114, provided that:

"SEC. 102. FINDINGS ON SUBSTANCE USE DISORDERS AND MENTAL HEALTH.

"Congress makes the following findings:

"(1) More than 1,500,000 members of the Armed Forces have been deployed in Operation Iraqi Freedom and Operation Enduring Freedom. The 2005 Department of Defense Survey of Health Related Behaviors Among Active Duty Personnel reports that 23 percent of members of the Armed Forces on active duty acknowledge a significant problem with alcohol use disorder, with similar rates of acknowledged problems with alcohol use disorder among members of the National Guard.

"(2) The effects of substance use disorder are wide ranging, including significantly increased risk of suicide, exacerbation of mental and physical health disorders, breakdown of family support, and increased risk of unemployment and homelessness.

"(3) While veterans suffering from mental health conditions, chronic physical illness, and polytrauma may be at increased risk for development of a substance use disorder, treatment for these veterans is

complicated by the need to address adequately the physical and mental symptoms associated with these conditions through appropriate medical intervention.

“(4) While the Veterans Health Administration has dramatically increased health services for veterans from 1996 through 2006, the number of veterans receiving specialized substance use disorder treatment services decreased 18 percent during that time. No comparable decrease in the national rate of substance use disorder has been observed during that time.

“(5) While some facilities of the Veterans Health Administration provide exemplary substance use disorder treatment services, the availability of such treatment services throughout the health care system of the Veterans Health Administration is inconsistent.

“(6) According to a 2006 report by the Government Accountability Office, the Department of Veterans Affairs significantly reduced its substance use disorder treatment and rehabilitation services between 1996 and 2006, and the Fiscal Year 2007 National Mental Health Program Monitoring System report shows that little progress has been made in restoring these services to their pre-1996 levels.

“SEC. 103. EXPANSION OF SUBSTANCE USE DISORDER TREATMENT SERVICES PROVIDED BY DEPARTMENT OF VETERANS AFFAIRS.

“(a) IN GENERAL.—The Secretary of Veterans Affairs shall ensure the provision of such services and treatment to each veteran enrolled in the health care system of the Department of Veterans Affairs who is in need of services and treatments for a substance use disorder as follows:

- “(1) Screening for substance use disorder in all settings, including primary care settings.
- “(2) Short term motivational counseling services.
- “(3) Marital and family counseling.
- “(4) Intensive outpatient or residential care services.
- “(5) Relapse prevention services.
- “(6) Ongoing aftercare and outpatient counseling services.
- “(7) Opiate substitution therapy services.
- “(8) Pharmacological treatments aimed at reducing craving for drugs and alcohol.
- “(9) Detoxification and stabilization services.
- “(10) Coordination with groups providing peer to peer counseling.
- “(11) Such other services as the Secretary considers appropriate.

“(b) PROVISION OF SERVICES.—

“(1) ALLOCATION OF RESOURCES FOR PROVISION OF SERVICES.—The Secretary shall ensure that amounts made available for care, treatment, and services provided under this section are allocated in such a manner that a full continuum of care, treatment, and services described in subsection (a) is available to veterans seeking such care, treatment, or services, without regard to the location of the residence of any such veterans.

“(2) MANNER OF PROVISION.—The services and treatment described in subsection (a) may be provided to a veteran described in such subsection—

- “(A) at Department of Veterans Affairs medical centers or clinics;
- “(B) by referral to other facilities of the Department that are accessible to such veteran; or
- “(C) by contract or fee-for-service payments with community-based organizations for the provision of such services and treatments.

“(c) ALTERNATIVES IN CASE OF SERVICES DENIED DUE TO CLINICAL NECESSITY.—If the Secretary denies the provision to a veteran of services or treatment for a substance use disorder due to clinical necessity, the Secretary shall provide the veteran such other services or treatment as are medically appropriate.

“SEC. 104. CARE FOR VETERANS WITH MENTAL HEALTH AND SUBSTANCE USE DISORDERS.

“(a) IN GENERAL.—If the Secretary of Veterans Affairs provides a veteran inpatient or outpatient care for

a substance use disorder and a comorbid mental health disorder, the Secretary shall ensure that treatment for such disorders is provided concurrently—

“(1) through a service provided by a clinician or health professional who has training and expertise in treatment of substance use disorders and mental health disorders;

“(2) by separate substance use disorder and mental health disorder treatment services when there is appropriate coordination, collaboration, and care management between such treatment services; or

“(3) by a team of clinicians with appropriate expertise.

“(b) TEAM OF CLINICIANS WITH APPROPRIATE EXPERTISE DEFINED.—In this section, the term ‘team of clinicians with appropriate expertise’ means a team consisting of the following:

“(1) Clinicians and health professionals with expertise in treatment of substance use disorders and mental health disorders who act in coordination and collaboration with each other.

“(2) Such other professionals as the Secretary considers appropriate for the provision of treatment to veterans for substance use and mental health disorders.

“SEC. 105. PILOT PROGRAM FOR INTERNET-BASED SUBSTANCE USE DISORDER TREATMENT FOR VETERANS OF OPERATION IRAQI FREEDOM AND OPERATION ENDURING FREEDOM.

“(a) FINDINGS.—Congress makes the following findings:

“(1) Stigma associated with seeking treatment for mental health disorders has been demonstrated to prevent some veterans from seeking such treatment at a medical facility operated by the Department of Defense or the Department of Veterans Affairs.

“(2) There is a significant incidence among veterans of post-deployment mental health problems, especially among members of a reserve component who return as veterans to civilian life.

“(3) Computer-based self-guided training has been demonstrated to be an effective strategy for supplementing the care of psychological conditions.

“(4) Younger veterans, especially those who served in Operation Enduring Freedom or Operation Iraqi Freedom, are comfortable with and proficient at computer-based technology.

“(5) Veterans living in rural areas may find access to treatment for substance use disorder limited.

“(6) Self-assessment and treatment options for substance use disorders through an Internet website may reduce stigma and provides additional access for individuals seeking care and treatment for such disorders.

“(b) IN GENERAL.—Not later than October 1, 2009, the Secretary of Veterans Affairs shall carry out a pilot program to assess the feasibility and advisability of providing veterans who seek treatment for substance use disorders access to a computer-based self-assessment, education, and specified treatment program through a secure Internet website operated by the Secretary. Participation in the pilot program shall be available on a voluntary basis for those veterans who have served in Operation Enduring Freedom or Operation Iraqi Freedom.

“(c) ELEMENTS OF PILOT PROGRAM.—

“(1) IN GENERAL.—In carrying out the pilot program under this section, the Secretary shall ensure that—

“(A) access to the Internet website and the programs available on the website by a veteran (or family member) does not involuntarily generate an identifiable medical record of that access by that veteran in any medical database maintained by the Department of Veterans Affairs;

“(B) the Internet website is accessible from remote locations, especially rural areas; and

“(C) the Internet website includes a self-assessment tool for substance use disorders, self-guided treatment and educational materials for such dis-

orders, and appropriate information and materials for family members of veterans.

“(2) CONSIDERATION OF SIMILAR PROJECTS.—In designing the pilot program under this section, the Secretary shall consider similar pilot projects of the Department of Defense for the early diagnosis and treatment of post-traumatic stress disorder and other mental health conditions established under section 741 of the John Warner National Defense Authorization Act of [for] Fiscal Year 2007 (Public Law 109-364; 120 Stat. 2304) [10 U.S.C. 1074 note].

“(3) LOCATION OF PILOT PROGRAM.—The Secretary shall carry out the pilot program through those medical centers of the Department of Veterans Affairs that have established Centers for Excellence for Substance Abuse Treatment and Education or that have established a Substance Abuse Program Evaluation and Research Center.

“(4) CONTRACT AUTHORITY.—The Secretary may enter into contracts with qualified entities or organizations to carry out the pilot program required under this section.

“(d) DURATION OF PILOT PROGRAM.—The pilot program required by subsection (a) shall be carried out during the two-year period beginning on the date of the commencement of the pilot program.

“(e) REPORT.—Not later than six months after the completion of the pilot program, the Secretary shall submit to Congress a report on the pilot program, and shall include in that report—an assessment of the feasibility and advisability of continuing or expanding the pilot program, of any cost savings or other benefits associated with the pilot program, and any other recommendations.

“(f) AUTHORIZATION OF APPROPRIATIONS.—There are authorized to be appropriated to the Secretary of Veterans Affairs \$1,500,000 for each of fiscal years 2010 and 2011 to carry out the pilot program under this section.”

§ 1725. Reimbursement for emergency treatment

(a) GENERAL AUTHORITY.—(1) Subject to subsections (c) and (d), the Secretary shall reimburse a veteran described in subsection (b) for

the reasonable value of emergency treatment furnished the veteran in a non-Department facility.

(2) In any case in which reimbursement is authorized under subsection (a)(1), the Secretary, in the Secretary's discretion, may, in lieu of reimbursing the veteran, make payment of the reasonable value of the furnished emergency treatment directly—

(A) to a hospital or other health care provider that furnished the treatment; or

(B) to the person or organization that paid for such treatment on behalf of the veteran.

(b) ELIGIBILITY.—(1) A veteran referred to in subsection (a)(1) is an individual who is an active Department health-care participant who is personally liable for emergency treatment furnished the veteran in a non-Department facility.

(2) A veteran is an active Department health-care participant if—

(A) the veteran is enrolled in the health care system established under section 1705(a) of this title; and

(B) the veteran received care under this chapter within the 24-month period preceding the furnishing of such emergency treatment.

(3) A veteran is personally liable for emergency treatment furnished the veteran in a non-Department facility if the veteran—

(A) is financially liable to the provider of emergency treatment for that treatment;

(B) has no entitlement to care or services under a health-plan contract (determined, in the case of a health-plan contract as defined in subsection (f)(2)(B) or (f)(2)(C), without regard to any requirement or limitation relating to eligibility for care or services from any department or agency of the United States);

(C) has no other contractual or legal recourse against a third party that would, in whole, extinguish such liability to the provider; and

(D) is not eligible for reimbursement for medical care or services under section 1728 of this title.

(c) LIMITATIONS ON REIMBURSEMENT.—(1) The Secretary, in accordance with regulations prescribed by the Secretary, shall—

(A) establish the maximum amount payable under subsection (a);

(B) delineate the circumstances under which such payments may be made, to include such requirements on requesting reimbursement as the Secretary shall establish; and

(C) provide that in no event may a payment under that subsection include any amount for which the veteran is not personally liable.

(2) Subject to paragraph (1), the Secretary may provide reimbursement under this section only after the veteran or the provider of emergency treatment has exhausted without success all claims and remedies reasonably available to the veteran or provider against a third party for payment of such treatment.

(3) Payment by the Secretary under this section on behalf of a veteran to a provider of emergency treatment shall, unless rejected and refunded by the provider within 30 days of receipt, extinguish any liability on the part of the vet-

eran for that treatment. Neither the absence of a contract or agreement between the Secretary and the provider nor any provision of a contract, agreement, or assignment to the contrary shall operate to modify, limit, or negate the requirement in the preceding sentence.

(4)(A) If the veteran has contractual or legal recourse against a third party that would only, in part, extinguish the veteran's liability to the provider of the emergency treatment, and payment for the treatment may be made both under subsection (a) and by the third party, the amount payable for such treatment under such subsection shall be the amount by which the costs for the emergency treatment exceed the amount payable or paid by the third party, except that the amount payable may not exceed the maximum amount payable established under paragraph (1)(A).

(B) In any case in which a third party is financially responsible for part of the veteran's emergency treatment expenses, the Secretary shall be the secondary payer.

(C) A payment in the amount payable under subparagraph (A) shall be considered payment in full and shall extinguish the veteran's liability to the provider.

(D) The Secretary may not reimburse a veteran under this section for any copayment or similar payment that the veteran owes the third party or for which the veteran is responsible under a health-plan contract.

(d) INDEPENDENT RIGHT OF RECOVERY.—(1) In accordance with regulations prescribed by the Secretary, the United States shall have the independent right to recover any amount paid under this section when, and to the extent that, a third party subsequently makes a payment for the same emergency treatment.

(2) Any amount paid by the United States to the veteran (or the veteran's personal representative, successor, dependents, or survivors) or to any other person or organization paying for such treatment shall constitute a lien in favor of the United States against any recovery the payee subsequently receives from a third party for the same treatment.

(3) Any amount paid by the United States to the provider that furnished the veteran's emergency treatment shall constitute a lien against any subsequent amount the provider receives from a third party for the same emergency treatment for which the United States made payment.

(4) The veteran (or the veteran's personal representative, successor, dependents, or survivors) shall ensure that the Secretary is promptly notified of any payment received from any third party for emergency treatment furnished to the veteran. The veteran (or the veteran's personal representative, successor, dependents, or survivors) shall immediately forward all documents relating to such payment, cooperate with the Secretary in the investigation of such payment, and assist the Secretary in enforcing the United States right to recover any payment made under subsection (c)(3).

(e) WAIVER.—The Secretary, in the Secretary's discretion, may waive recovery of a payment made to a veteran under this section that is otherwise required by subsection (d)(1) when the

Secretary determines that such waiver would be in the best interest of the United States, as defined by regulations prescribed by the Secretary.

(f) DEFINITIONS.—For purposes of this section:

(1) The term "emergency treatment" means medical care or services furnished, in the judgment of the Secretary—

§ 1729. Recovery by the United States of the cost of certain care and services

(a)(1) Subject to the provisions of this section, in any case in which a veteran is furnished care or services under this chapter for a non-service-connected disability described in paragraph (2) of this subsection, the United States has the right to recover or collect reasonable charges for such care or services (as determined by the Secretary) from a third party to the extent that the veteran (or the provider of the care or services) would be eligible to receive payment for such care or services from such third party if the care or services had not been furnished by a department or agency of the United States.

(2) Paragraph (1) of this subsection applies to a non-service-connected disability—

(A) that is incurred incident to the veteran's employment and that is covered under a workers' compensation law or plan that provides for payment for the cost of health care and services provided to the veteran by reason of the disability;

(B) that is incurred as the result of a motor vehicle accident to which applies a State law that requires the owners or operators of motor vehicles registered in that State to have in force automobile accident reparations insurance;

(C) that is incurred as the result of a crime of personal violence that occurred in a State, or a political subdivision of a State, in which a person injured as the result of such a crime is entitled to receive health care and services at such State's or subdivision's expense for personal injuries suffered as the result of such crime;

(D) that is incurred by a veteran—

(i) who does not have a service-connected disability; and

(ii) who is entitled to care (or payment of the expenses of care) under a health-plan contract; or

(E) for which care and services are furnished before October 1, 2013, under this chapter to a veteran who—

(i) has a service-connected disability; and

(ii) is entitled to care (or payment of the expenses of care) under a health-plan contract.

(3) In the case of a health-plan contract that contains a requirement for payment of a deductible or copayment by the veteran—

(A) the veteran's not having paid such deductible or copayment with respect to care or services furnished under this chapter shall not preclude recovery or collection under this section; and

(B) the amount that the United States may collect or recover under this section shall be reduced by the appropriate deductible or copayment amount, or both.

(b)(1) As to the right provided in subsection (a) of this section, the United States shall be subrogated to any right or claim that the veteran (or the veteran's personal representative, successor, dependents, or survivors) may have against a third party.

(2)(A) In order to enforce any right or claim to which the United States is subrogated under paragraph (1) of this subsection, the United States may intervene or join in any action or proceeding brought by the veteran (or the veteran's personal representative, successor, dependents, or survivors) against a third party.

(B) The United States may institute and prosecute legal proceedings against the third party if—

(i) an action or proceeding described in subparagraph (A) of this paragraph is not begun within 180 days after the first day on which care or services for which recovery is sought are furnished to the veteran by the Secretary under this chapter;

(ii) the United States has sent written notice by certified mail to the veteran at the veteran's last-known address (or to the veteran's personal representative or successor) of the intention of the United States to institute such legal proceedings; and

(iii) a period of 60 days has passed following the mailing of such notice.

(C) A proceeding under subparagraph (B) of this paragraph may not be brought after the end of the six-year period beginning on the last day on which the care or services for which recovery is sought are furnished.

(c)(1) The Secretary may compromise, settle, or waive any claim which the United States has under this section.

(2)(A) The Secretary, after consultation with the Comptroller General of the United States, shall prescribe regulations for the purpose of determining reasonable charges for care or services under subsection (a)(1) of this section. Any determination of such charges shall be made in accordance with such regulations.

(B) Such regulations shall provide that reasonable charges for care or services sought to be recovered or collected from a third-party liable under a health-plan contract may not exceed the amount that such third party demonstrates to the satisfaction of the Secretary it would pay for the care or services if provided by facilities (other than facilities of departments or agencies of the United States) in the same geographic area.

(C) Not later than 45 days after the date on which the Secretary prescribes such regulations (or any amendment to such regulations), the Comptroller General shall submit to the Committees on Veterans' Affairs of the Senate and the House of Representatives the Comptroller General's comments on and recommendations regarding such regulations (or amendment).

(d) Any contract or agreement into which the Secretary enters with a person under section 3718 of title 31 for collection services to recover indebtedness owed the United States under this section shall provide, with respect to such services, that such person is subject to sections 5701 and 7332 of this title.

(e) A veteran eligible for care or services under this chapter—

(1) may not be denied such care or services by reason of this section; and

(2) may not be required by reason of this section to make any copayment or deductible payment in order to receive such care.

(f) No law of any State or of any political subdivision of a State, and no provision of any contract or other agreement, shall operate to prevent recovery or collection by the United States under this section or with respect to care or services furnished under section 1784 of this title.

[(g) Repealed. Pub. L. 105-33, title VIII, § 8023(b)(4), Aug. 5, 1997, 111 Stat. 667.]

(h)(1) Subject to paragraph (3) of this subsection, the Secretary shall make available medical records of a veteran described in paragraph (2) of this subsection for inspection and review by representatives of the third party concerned for the sole purposes of permitting the third party to verify—

(A) that the care or services for which recovery or collection is sought were furnished to the veteran; and

(B) that the provision of such care or services to the veteran meets criteria generally applicable under the health-plan contract involved.

(2) A veteran described in this paragraph is a veteran who is a beneficiary of a health-plan contract under which recovery or collection is sought under this section from the third party concerned for the cost of the care or services furnished to the veteran.

(3) Records shall be made available under this subsection under such conditions to protect the confidentiality of such records as the Secretary shall prescribe in regulations.

(i) For purposes of this section—

§ 1905. Renewal

All level premium term policies, except as otherwise provided in this section, shall cease and terminate at the expiration of the term period. At the expiration of any term period any five-year level premium term policy which has not been exchanged or converted to a permanent plan of insurance and which is not lapsed shall be renewed as level premium term insurance without application for a successive five-year period at the premium rate for the attained age without medical examination. However, renewal will be effected in cases where the policy is lapsed only if the insured makes application for reinstatement and renewal of the term policy within five years after the date of lapse, and reinstatement in such cases shall be under the terms and conditions prescribed by the Secretary. In any case in which the insured is shown by evidence satisfactory to the Secretary to be totally disabled at the expiration of the level premium term period of the insurance under conditions which would entitle the insured to continued insurance protection but for such expiration, the insurance, if subject to renewal under this section, shall be automatically renewed for an additional period of five years at the premium rate for the then attained age, unless the insured has elected insurance on some other available plan.

§ 1907. Payment or use of dividends

(a) Until and unless the Secretary has received from the insured a request or directive in writing exercising any other dividend option allowable under the insured's policy, any dividend accumulations and unpaid dividends shall be applied in payment of premiums becoming due on insurance subsequent to the date the dividend is payable after January 1, 1952.

(b) No claim by an insured for payment in cash of a special dividend declared prior to January 1, 1952, shall be processed by the Secretary unless such claim was received within six years after such dividend was declared. After September 1, 1992, the Secretary may, from time to time, provide for further one-year periods during which insureds may purchase additional paid up insurance from existing dividend credits and deposits. Any such period for the purchase of additional paid up insurance may be allowed only if the Secretary determines in the case of any such period that it would be actuarially and administratively sound to do so. Any dividends, dividend credits, or deposits on endowment policies may be used under this subsection only to purchase additional paid up endowment insurance which matures concurrently with the basic policy. Any dividends, dividend credits, or deposits on policies (other than endowment policies) may be used under this section only to purchase additional paid up whole life insurance. The paid up insurance granted under this subsection shall be in addition to any insurance otherwise authorized under this title, or under prior provisions of law. The paid up insurance granted under this subsection shall be issued on the same terms

and conditions as are contained in the standard policies of national service life insurance except (1) the premium rates for such insurance and all cash and loan values thereon shall be based on such table of mortality and rate of interest per annum as may be prescribed by the Secretary; (2) the total disability income provision authorized under section 1915 of this title may not be added to insurance issued under this section; and (3) the insurance shall include such other changes in terms and conditions as the Secretary determines to be reasonable and practicable.

§ 1912. Total disability waiver

(a) Upon application by the insured and under such regulations as the Secretary may promulgate, payment of premiums on insurance may be waived during the continuous total disability of the insured, which continues or has continued for six or more consecutive months, if such disability began (1) after the date of the insured's application for insurance, (2) while the insurance was in force under premium-paying conditions, and (3) before the insured's sixty-fifth

birthday. Notwithstanding any other provision of this chapter, in any case in which the total disability of the insured commenced on or after the insured's sixtieth birthday but before the insured's sixty-fifth birthday, the Secretary shall not grant waiver of any premium becoming due prior to January 1, 1965.

(b) The Secretary, upon any application made after August 1, 1947, shall not grant waiver of any premium becoming due more than one year before the receipt by the Secretary of application for the same, except as provided in this section. Any premiums paid for months during which waiver is effective shall be refunded. The Secretary shall provide by regulations for examination or reexamination of an insured claiming benefits under this section, and may deny benefits for failure to cooperate. If it is found that an insured is no longer totally disabled, the waiver of premiums shall cease as of the date of such finding and the policy of insurance may be continued by payment of premiums as provided in said policy. In any case in which the Secretary finds that the insured's failure to make timely application for waiver of premiums or the insured's failure to submit satisfactory evidence of the existence or continuance of total disability was due to circumstances beyond the insured's control, the Secretary may grant waiver or continuance of waiver of premiums.

(c) If the insured dies without filing application for waiver, the beneficiary, within one year after the death of the insured, or, if the beneficiary is insane or a minor, within one year after removal of such legal disability, may file application for waiver with evidence of the insured's right to waiver under this section. Premium rates shall be calculated without charge for the cost of waiver of premiums provided in this section and no deduction from benefits otherwise payable shall be made on account thereof.

(d) In any case in which an insured has been denied or would have been denied premium waiver under section 602(n) of the National Service Life Insurance Act of 1940 or this section solely because the insured became totally disabled between the date of valid application for insurance and the subsequent effective date thereof, and in which it is shown that (1) the total disability was incurred in line of duty between October 8, 1940, and July 31, 1946, inclusive, or June 27, 1950, and April 30, 1951, inclusive, and (2) the insured remained continuously so totally disabled to the date of death or June 8, 1960, whichever is earlier, the Secretary may grant waiver of premiums from the beginning of and during the continuous total disability of such insured. Application for waiver of premiums under this subsection must be filed by the insured or, in the event of the insured's death, by the beneficiary within two years after June 8, 1960, except that if the insured or the beneficiary be insane or a minor within the two-year period, application for such waiver may be filed within two years after removal of such legal disability, or if an insane insured shall die before the removal of the disability, application may be filed by the beneficiary within two years after the insured's death. No insurance shall be placed in force under this subsection in any case in which there

was an award of benefits under the Servicemen's Indemnity Act of 1951 or of gratuitous insurance under section 1922(b) of this title. The amount of insurance placed in force hereunder together with any other United States Government life insurance or national service life insurance in force at the time of death, or at the time of the insured's application for waiver hereunder, may not exceed \$10,000 and shall be reduced by the amount of any gratuitous insurance awarded under the National Service Life Insurance Act of 1940. Waiver of premiums under this subsection shall render the insurance nonparticipating during the period such premium waiver is in effect. The cost of waiver of premium and death benefits paid as a result of this subsection shall be borne by the United States.

§ 1916. Insurance which matured before August 1, 1946

(a) Insurance which matured before August 1, 1946, is payable in the following manner:

(1) If the beneficiary to whom payment is first made was under thirty years of age at the time of maturity, in two hundred and forty equal monthly installments.

(2) If the beneficiary to whom payment is first made was thirty or more years of age at the time of maturity, in equal monthly installments for one hundred and twenty months

certain, with such payments continuing during the remaining lifetime of such beneficiary.

(3) If elected by the insured or a beneficiary entitled to make such an election under prior provisions of law, as a refund life income in monthly installments payable for such period certain as may be required in order that the sum of the installments certain, including a last installment of such reduced amount as may be necessary, shall equal the face value of the contract, less any indebtedness, with such payments continuing throughout the lifetime of the first beneficiary. A refund life income optional settlement is not available in any case in which such settlement would result in payments of installments over a shorter period than one hundred and twenty months. If the mode of payment is changed to a refund life income in accordance with prior provisions of law, after payment has commenced, payment of monthly installments will be adjusted as of the date of maturity of such policy with credit being allowed for payments previously made on the insurance.

(b) Such insurance shall be payable only to a widow, widower, child, parent, brother or sister of the insured. Any installments certain of such insurance remaining unpaid at the death of any beneficiary shall be paid in equal monthly installments in an amount equal to the monthly installments paid to the first beneficiary, to the person or persons then in being within the following classes, and in the order named, unless designated by the insured in a different order:

(1) To the widow or widower of the insured, if living.

(2) If no widow or widower, to the child or children of the insured, if living, in equal shares.

(3) If no widow, widower, or child, to the parent or parents of the insured who last bore that relationship, if living, in equal shares.

(4) If no widow, widower, child, or parent, to the brothers and sisters of the insured, if living, in equal shares.

(c) The provisions of this section shall not be construed to enlarge the classes of beneficiaries heretofore authorized under section 602(d) of the National Service Life Insurance Act of 1940, for payment of gratuitous insurance.

(d) If no beneficiary of insurance which matured before August 1, 1946, was designated by the insured or if the designated beneficiary did not survive the insured, the beneficiary shall be determined in accordance with the order specified in subsection (b) and the insurance shall be payable in equal monthly installments in accordance with subsection (a). The right of any beneficiary to payment of any installments of such insurance shall be conditioned upon his or her being alive to receive such payments. No person shall have a vested right to any installment or installments of any such insurance and any installments not paid to a beneficiary during such beneficiary's lifetime shall be paid to the beneficiary or beneficiaries within the permitted class next entitled to priority, as provided in subsection (b).

(e) No installments of insurance which matured before August 1, 1946, shall be paid to the

heirs or legal representatives as such of the insured or of any beneficiary, and if no person within the permitted class survives to receive the insurance or any part thereof no payment of the unpaid installments shall be made, except that if the reserve of a contract of converted National Service Life Insurance, together with dividends accumulated thereon, less any indebtedness under such contract, exceeds the aggregate amount paid to beneficiaries, the excess shall be paid to the estate of the insured unless the estate of the insured would escheat under the laws of the insured's place of residence, in which event no payment shall be made. When the amount of an individual monthly payment of such insurance is less than \$5, such amount may, in the discretion of the Secretary, be allowed to accumulate without interest and be disbursed annually.

(f) Any payments of insurance made to a person, represented by the insured to be within the permitted class of beneficiaries, shall be deemed to have been properly made and to satisfy fully the obligation of the United States under such insurance policy to the extent of such payments.

§ 1917. Insurance maturing on or after August 1, 1946

(a) The insured shall have the right to designate the beneficiary or beneficiaries of insurance maturing on or after August 1, 1946, and shall, subject to regulations, at all times have the right to change the beneficiary or beneficiaries of such insurance without the consent of such beneficiary or beneficiaries.

(b) Insurance maturing on or after August 1, 1946, shall be payable in accordance with the following optional modes of settlement:

(1) In one sum.

(2) In equal monthly installments of from thirty-six to two hundred and forty in number, in multiples of twelve.

(3) In equal monthly installments for one hundred and twenty months certain with such payments continuing during the remaining lifetime of the first beneficiary.

(4) As a refund life income in monthly installments payable for such period certain as may be required in order that the sum of the installments certain, including a last installment of such reduced amount as may be necessary, shall equal the face value of the contract, less any indebtedness, with such payments continuing throughout the lifetime of the first beneficiary; however, such optional settlement shall not be available in any case in which such settlement would result in payments of installments over a shorter period than one hundred and twenty months.

(c) Except as provided in the second and third sentences of this subsection, unless the insured elects some other mode of settlement, such insurance shall be payable to the designated beneficiary or beneficiaries in thirty-six equal monthly installments. The first beneficiary may elect to receive payment under any option which provides for payment over a longer period of time than the option elected by the insured, or if no option has been elected by the insured, in excess of thirty-six months. In the case of insurance maturing after September 30, 1981, and for which no option has been elected by the insured, the first beneficiary may elect to receive payment in one sum. If the option selected requires payment to any one beneficiary of monthly installments of less than \$10, the amount payable to such beneficiary shall be paid in such maximum number of monthly installments as are a multiple of twelve as will provide a monthly installment of not less than \$10. If the present value of the amount payable at the time any person initially becomes entitled to payment thereof is not sufficient to pay at least twelve monthly installments of not less than \$10 each, such amount shall be payable in one sum. Options (3) and (4) shall not be available if any firm, corporation, legal entity (including the estate of the insured), or trustee is beneficiary.

(d) If the beneficiary of such insurance is entitled to a lump-sum settlement but elects some other mode of settlement and dies before receiving all the benefits due and payable under such mode of settlement, the present value of the remaining unpaid amount shall be payable to the estate of the beneficiary. If no beneficiary is designated by the insured, or if the designated beneficiary does not survive the insured, or if a designated beneficiary not entitled to a lump-sum settlement survives the insured, and dies before receiving all the benefits due and payable, then the commuted value of the remaining unpaid insurance (whether accrued or not) shall be paid in one sum to the estate of the insured. In no event shall there be any payment to the estate of the insured or of the beneficiary of any sums unless it is shown that any sums paid will not escheat.

(e) Under such regulations as the Secretary may promulgate, the cash surrender value of any policy of insurance or the proceeds of an endowment contract which matures by reason of completion of the endowment period may be paid to the insured under option (2) or (4) of this section. All settlements under option (4), however, shall be calculated on the basis of The Annuity Table for 1949. If the option selected re-

quires payment of monthly installments of less than \$10, the amount payable shall be paid in such maximum number of monthly installments as are a multiple of twelve as will provide a monthly installment of not less than \$10.

(f)(1) Following the death of the insured and in a case not covered by subsection (d)—

(A) if the first beneficiary otherwise entitled to payment of the insurance does not make a claim for such payment within two years after the death of the insured, payment may be made to another beneficiary designated by the insured, in the order of precedence as designated by the insured, as if the first beneficiary had predeceased the insured; and

(B) if, within four years after the death of the insured, no claim has been filed by a person designated by the insured as a beneficiary and the Secretary has not received any notice in writing that any such claim will be made, payment may (notwithstanding any other provision of law) be made to such person as may in the judgment of the Secretary be equitably entitled thereto.

(2) Payment of insurance under paragraph (1) shall be a bar to recovery by any other person.

as a permanent trust fund. Except as otherwise provided in this chapter, all premiums paid on account of National Service Life Insurance shall be deposited and covered into the Treasury to the credit of such fund, which, together with interest earned thereon, shall be available for the payment of liabilities under such insurance, including payment of dividends and refunds of unearned premiums, and for the reimbursement of administrative costs under subsection (c). § 1921. Extra hazard costs

(a) The United States shall bear the excess mortality cost and the cost of waiver of pre-

miums on account of total disability traceable to the extra hazard of military or naval service, as such hazard may be determined by the Secretary.

(b) Whenever benefits under insurance become payable because of the death of the insured as the result of disease or injury traceable to the extra hazard of military or naval service, as such hazard may be determined by the Secretary, the liability for payment of such benefits shall be borne by the United States in an amount which, when added to the reserve of the policy at the time of death of the insured will equal the then value of such benefits under such policy. Where life contingencies are involved in the calculation of the value of such benefits of insurance heretofore or hereafter matured, the calculation of such liability or liabilities shall be based upon such mortality table or tables as the Secretary may prescribe with interest at the rate of 3 per centum per annum. The Secretary shall transfer from time to time from the National Service Life Insurance appropriation to the National Service Life Insurance Fund such sums as may be necessary to carry out the provisions of this section.

(c) Whenever the premiums under insurance are waived because of the total disability of the insured as the result of disease or injury traceable to the extra hazard of military or naval service, as such hazard may be determined by the Secretary, the premiums so waived shall be paid by the United States and the Secretary shall transfer from time to time an amount equal to the amount of such premiums from the National Service Life Insurance appropriation to the National Service Life Insurance Fund.

(d) Whenever benefits under the total disability income provision become, or have become, payable because of total disability of the insured as a result of disease or injury traceable to the extra hazard of the military or naval service, as such hazard may be determined by the Secretary, the liability shall be borne by the United States, and the Secretary shall transfer from the National Service Life Insurance appropriation to the National Service Life Insurance Fund from time to time any amounts which become, or have become, payable to the insured on account of such total disability, and to transfer from the National Service Life Insurance Fund to the National Service Life Insurance appropriation the amount of the reserve held on account of the total disability benefit. When a person receiving such payments on account of total disability recovers from such disability, and is then entitled to continue protection under the total disability income provision, the Secretary shall transfer to the National Service Life Insurance Fund a sum sufficient to set up the then required reserve on such total disability benefit.

(e) Any disability for which a waiver was required as a condition to tendering a person a commission under Public Law 816, Seventy-seventh Congress, shall be deemed to be a disability resulting from an injury or disease traceable to the extra hazard of military or naval service for the purpose of applying this section.

§ 1922. Service disabled veterans' insurance

(a) Any person who is released from active military, naval, or air service, under other than dishonorable conditions on or after April 25, 1951, and is found by the Secretary to be suffering from a disability or disabilities for which compensation would be payable if 10 per centum or more in degree and except for which such person would be insurable according to the standards of good health established by the Secretary, shall, upon application in writing made within two years from the date service-connection of such disability is determined by the Secretary and payment of premiums as provided in this subchapter, be granted insurance by the United States against the death of such person occurring while such insurance is in force. If such a person is shown by evidence satisfactory to the Secretary to have been mentally incompetent during any part of the two-year period, application for insurance under this section may be filed within two years after a guardian is appointed or within two years after the removal of such disability as determined by the Secretary, whichever is the earlier date. If the guardian was appointed or the removal of the disability occurred before January 1, 1959, application for insurance under this section may be made within two years after that date. Insurance granted under this section shall be issued upon the same terms and conditions as are contained in the standard policies of National Service Life Insurance except (1) the premium rates for such insurance shall be based on the Commissioners 1941 Standard Ordinary Table of Mortality and interest at the rate of $2\frac{1}{4}$ per centum per annum; (2) all cash, loan, paid-up, and extended values shall be based upon the Commissioners 1941 Standard Ordinary Table of Mortality and interest at the rate of $2\frac{1}{4}$ per centum per annum; (3) all settlements on policies involving annuities shall be calculated on the basis of The Annuity Table for 1949, and interest at the rate of $2\frac{1}{4}$ per centum per annum; (4) insurance granted under this section shall be on a nonparticipating basis and all premiums and other collections therefor shall be credited directly to a revolving fund in the Treasury of the United States, and any payments on such insurance shall be made directly from such fund; and (5) administrative support financed by the appropriations for "General Operating Expenses, Department of Veterans Affairs" and "Information Technology Systems, Department of Veterans Affairs" for the program of insurance under this

section shall be paid from premiums credited to the fund under paragraph (4), and payments for claims against the fund under paragraph (4) for amounts in excess of amounts credited to such fund under that paragraph (after such administrative costs have been paid) shall be paid from appropriations to the fund. Appropriations to such fund are hereby authorized. As to insurance issued under this section, waiver of premiums pursuant to section 602(n) of the National Service Life Insurance Act of 1940 and section 1912 of this title shall not be denied on the ground that the service-connected disability became total before the effective date of such insurance.

(b)(1) Any person who, on or after April 25, 1951, was otherwise qualified for insurance under the provisions of section 620 of the National Service Life Insurance Act of 1940, or under subsection (a) of this section, but who did not apply for such insurance and who is shown by evidence satisfactory to the Secretary (A) to have been mentally incompetent from a service-connected disability, (i) at the time of release from active service, or (ii) during any part of the two-year period from the date the service connection of a disability is first determined by the Secretary, or (iii) after release from active service but is not rated service-connected disabled by the Secretary until after death; and (B) to have remained continuously so mentally incompetent until date of death; and (C) to have died before the appointment of a guardian, or within two years after the appointment of a guardian; shall be deemed to have applied for and to have been granted such insurance, as of the date of death, in an amount which, together with any other United States Government or National Service life insurance in force, shall aggregate \$10,000. The date to be used for determining whether such person was insurable according to the standards of good health established by the Secretary, except for the service-connected disability, shall be the date of release from active service or the date the person became mentally incompetent, whichever is the later.

(2) Payments of insurance granted under subsection (b)(1) of this section shall be made only to the following beneficiaries and in the order named—

(A) to the widow or widower of the insured, if living and while unmarried;

(B) if no widow or widower entitled thereto, to the child or children of the insured, if living, in equal shares;

(C) if no widow or widower or child entitled thereto, to the parent or parents of the insured who last bore that relationship, if living, in equal shares.

(3) No application for insurance payments under this subsection shall be valid unless filed with the Secretary within two years after the date of death of the insured or before January 1, 1961, whichever is the later, and the relationship of the applicant shall be proved as of the date of death of the insured by evidence satisfactory to the Secretary. Persons shown by evidence satisfactory to the Secretary to have been mentally or legally incompetent at the time the right to apply for death benefits expires, may make such application at any time within one year after the removal of such disability.

(4) Notwithstanding section 1917 of this title, insurance under this subsection shall be payable to the beneficiary determined under paragraph (2) of this subsection in a lump sum.

EFFECTIVE DATE OF 1971 AMENDMENT

Amendment by Pub. L. 92-197 effective Jan. 1, 1972, see section 10 of Pub. L. 92-197, set out as a note under section 1311 of this title.

§ 1925. Limited period for acquiring insurance

(a) Any person (other than a person referred to in subsection (f) of this section) heretofore eligible to apply for National Service Life Insurance after October 7, 1940, and before January 1, 1957, who is found by the Secretary to be suffering (1) from a service-connected disability or disabilities for which compensation would be payable if 10 percent or more in degree and except for which such person would be insurable according to the standards of good health established by the Secretary; or (2) from a non-service-con-

nected disability which renders such person uninsurable according to the standards of good health established by the Secretary and such person establishes to the satisfaction of the Secretary that such person is unable to obtain commercial life insurance at a substandard rate, shall, upon application in writing made before May 2, 1966, compliance with the health requirements of this section and payment of the required premiums, be granted insurance under this section.

(b) If, notwithstanding the applicant's service-connected disability, such person is insurable according to the standards of good health established by the Secretary, the insurance granted under this section shall be issued upon the same terms and conditions as are contained in the standard policies of National Service Life Insurance except (1) five-year level premium term insurance may not be issued; (2) the net premium rates shall be based on the 1958 Commissioners Standard Ordinary Basic Mortality Table, increased at the time of issue by such an amount as the Secretary determines to be necessary for sound actuarial operations, and thereafter such premiums may be adjusted as the Secretary determines to be so necessary but at intervals of not less than two years; (3) an additional premium to cover administrative costs to the Government as determined by the Secretary at times of issue shall be charged for insurance issued under this subsection and for any total disability income provision attached thereto, and thereafter such costs may be adjusted as the Secretary determines to be necessary but at intervals of not less than five years; (4) all cash, loan, extended and paid-up insurance values shall be based on the 1958 Commissioners Standard Ordinary Basic Mortality Table; (5) all settlements on policies involving annuities shall be calculated on the basis of The Annuity Table for 1949; (6) all calculations in connection with insurance issued under this subsection shall be based on interest at the rate of 3½ percent per annum; and (7) the insurance shall include such other changes in terms and conditions as the Secretary determines to be reasonable and practicable.

(c) If the applicant's service-connected disability or disabilities render the applicant uninsurable according to the standards of good health established by the Secretary, or if the applicant has a non-service-connected disability which renders the applicant uninsurable according to the standards of good health established by the Secretary and such person establishes to the satisfaction of the Secretary that such person is unable to obtain commercial life insurance at a substandard rate and such uninsurability existed as of the date of approval of this section, the insurance granted under this section shall be issued upon the same terms and conditions as are contained in standard policies of National Service Life Insurance, except (1) five-year level premium term insurance may not be issued; (2) the premiums charged for the insurance issued under this subsection shall be increased at the time of issue by such an amount as the Secretary determines to be necessary for sound actuarial operations and thereafter such premiums may be adjusted from time to time as the Sec-

retary determines to be necessary; for the purpose of any increase at time of issue or later adjustment the service-connected group and the non-service-connected group may be separately classified; (3) an additional premium to cover administrative costs to the Government as determined by the Secretary at the time of issue shall be charged for insurance issued under this subsection and for any total disability income provision attached thereto (for which the insured may subsequently become eligible) and thereafter such costs may be adjusted as the Secretary determines to be necessary but at intervals of not less than five years and for this purpose the service-connected and non-service-connected can be separately classified; (4) all settlements on policies involving annuities shall be calculated on the basis of The Annuity Table for 1949; (5) all calculations in connection with insurance issued under this subsection shall be based on interest at the rate of 3½ percent per annum; and (6) the insurance shall include such other changes in terms and conditions as the Secretary determines to be reasonable and practicable.

(d)(1) All premiums and collections on insurance issued pursuant to this section and any total disability income provision attached thereto shall be credited to the Veterans Reopened Insurance Fund, a revolving fund established in the Treasury of the United States, and all payments on such insurance and any total disability provision attached thereto, including payments of dividends and refunds of unearned premiums, shall be made from that fund and the interest earned on the assets of that fund. For actuarial and accounting purposes, the assets and liabilities (including liabilities for repayment of advances hereinafter authorized, and adjustment of premiums) attributable to the insured groups established under this section shall be separately determined. Such amounts in the Veterans Special Term Insurance Fund in the Treasury, not exceeding \$1,650,000 in the aggregate, as may hereafter be determined by the Secretary to be in excess of the actuarial liabilities of that fund, including contingency reserves, shall be available for transfer to the Veterans Reopened Insurance Fund as needed to provide initial capital. Any amounts so transferred shall be repaid to the Treasury over a reasonable period of time with interest as determined by the Secretary of the Treasury taking into consideration the average yield on all marketable interest-bearing obligations of the United States of comparable maturities then forming a part of the public debt.

(2) The Secretary is authorized to set aside out of the revolving fund established under this section such reserve amounts as may be required under accepted actuarial principles to meet all liabilities on insurance issued under this section and any total disability income provision attached thereto. The Secretary of the Treasury is authorized to invest in and to sell and retire special interest-bearing obligations of the United States for the account of the revolving fund. Such obligations issued for this purpose shall have maturities fixed with due regard for the needs of the fund and shall bear interest at a rate equal to the average market yield (com-

puted by the Secretary of the Treasury on the basis of market quotations as of the end of the calendar month next preceding the date of issue) on all marketable interest-bearing obligations of the United States then forming a part of the public debt which are not due or callable until after the expiration of four years from the end of such calendar month; except that where such average market yield is not a multiple of one-eighth of 1 percent, the rate of interest of such obligation shall be the multiple of one-eighth of 1 percent nearest such market yield.

(3) Notwithstanding the provisions of section 1982 of this title, the Secretary shall, from time to time, determine the administrative costs to the Government which in the Secretary's judgment are properly allocable to insurance issued under this section and any total disability income provision attached thereto, and shall transfer from the revolving fund, the amount of such cost allocable to the Department to the appropriations for "General Operating Expenses and Information Technology Systems, Department of Veterans Affairs", and the remainder of such cost to the general fund receipts in the Treasury. The initial administrative costs of issuing insurance under this section and any total disability income provision attached thereto shall be so transferred over such period of time as the Secretary determines to be reasonable and practicable.

(e) Notwithstanding the provisions of section 1982 of this title, a medical examination (including any supplemental examination or tests) when required of an applicant for issuance of insurance under this section or any total disability income provisions attached thereto shall be at the applicant's own expense by a duly licensed physician.

(f) No insurance shall be granted under this section to any person referred to in section 107 of this title or to any person while on active duty or active duty for training under a call or order to such duty for a period of thirty-one days or more.

Notwithstanding sections 1902, 1923, and 1925 of this title, if the beneficiary of an insurance policy receives the proceeds of such policy under a settlement option under which such proceeds are paid in equal monthly installments over a limited period of months, the interest that may be added to each such installment may be at a rate that is higher than the interest rate prescribed in the appropriate section of this subchapter. The Secretary may make such an adjustment only if the Secretary determines that the adjustment is administratively and actuarially sound for the program of insurance concerned. Such amount

shall be available for distribution to the life annuitants referred to in subsection (a) of this section as a fixed percentage of, and in addition to, the monthly installment amount to which the annuitants are entitled under this subchapter. For the purposes of this section, gains on the reserves are defined as funds attributable solely to annuity accounts that are in excess of actuarial liabilities.

(c) The monthly amount of an annuity authorized in sections 1902, 1923, and 1925 of this title, as adjusted under this section, may not be less than the monthly amount of such annuity that would otherwise be applicable without regard to this section.

§ 1942. Plans of insurance

(a) Regulations shall provide for the right to convert insurance on the five-year level premium term plan into ordinary life, twenty-payment life, endowment maturing at age sixty-two, and into other usual forms of insurance as may be prescribed by the Secretary. Provision shall be made for reconversion of any such policies to a higher premium rate or, upon proof of good health satisfactory to the Secretary, to a lower premium rate, in accordance with regulations to be issued by the Secretary. No reconversion shall be made to a five-year level premium term policy.

(b) An insured who on or after the insured's sixty-fifth birthday has a five-year level premium term policy of insurance in force by payment of premiums may exchange such policy for insurance on a special endowment at age ninety-six plan upon written application; payment of the required premium; and surrender of the five-year level premium term policy and any total disability provision attached thereto with all rights, title, and interests thereunder. However, if it is found by the Secretary subsequent to the exchange that prior thereto the term policy matured because of total permanent disability of the insured or that the insured was entitled to total disability benefits under the total disability provision attached to such policy, the insured, upon surrender of the special endowment at age ninety-six policy and any provision for waiver of premiums issued under subsection (c) of this section with all rights, title, and interest thereunder, will be entitled to benefits payable under the prior contract. In such case, the cash value less any indebtedness on the endowment policy shall be refunded together with any premiums paid on a provision for waiver of premiums. Insurance on the special endowment at age ninety-six plan shall be issued at the attained age of the insured upon the same terms and conditions as are contained in standard policies of United States Government Life Insurance except:

(1) the insurance shall not mature and no benefits shall be paid thereunder because of total permanent disability;

(2) the premiums for such insurance shall be as prescribed by the Secretary;

(3) such insurance cannot be exchanged, converted, or reconverted to any other plan of insurance;

(4) all cash, loan, paid-up, and extended term insurance values shall be as prescribed by the Secretary; and

(5) the insurance shall be subject to such other changes in terms and conditions as the Secretary determines to be reasonable and practicable.

(c) The Secretary shall, upon application made by the insured at the same time as the insured exchanges the term policy for an endowment policy issued under the provisions of subsection (b) of this section, and upon payment of such extra premium as the Secretary shall prescribe, include in such endowment policy a provision for waiver of premiums on the policy and on the provision during the total permanent disability of the insured, if such disability began after the date of such application and while the policy and the provision are in force by payment of premiums. The Secretary shall not grant waiver of any premium becoming due more than one year before receipt by the Secretary of claim for the same, except as provided in this subsection. Any premiums paid for months during which waiver is effective shall be refunded. The Secretary shall provide by regulations for examination or reexamination of an insured claiming waiver of premiums under this subsection, and may deny waiver for failure to cooperate. If it is found that an insured is no longer totally and permanently disabled, the waiver of premiums shall cease as of the date of such finding and the policy and provision may be continued by payment of premiums as provided therein. In any case in which the Secretary finds that the insured's failure to make timely claim for waiver of premiums, or to submit satisfactory evidence of the existence or continuance of total permanent disability was due to circumstances beyond the insured's control, the Secretary may grant waiver or continuance of waiver of premiums. If the insured dies without filing claim for waiver, the beneficiary, within one year after the death of the insured, or, if the beneficiary is insane or a minor, within one year after removal of such legal disability, may file claim for waiver with evidence of the insured's right to waiver under this subsection. Policies containing a provision for waiver of premiums issued under this subsection may be separately classified for the purpose of dividend distribution from otherwise similar policies not containing such provision.

The Secretary shall include in United States Government life insurance policies provision whereby an insured, who is totally disabled as a result of disease or injury for a period of four consecutive months or more before attaining the age of sixty-five years and before default in payment of any premium, shall be paid disability benefits at the rate of \$5.75 monthly for each \$1,000 of insurance in force when total disability benefits become payable. The amount of such monthly payment under the provisions of this section shall not be reduced because of payment of permanent and total disability benefits under the insurance policy. Such payments shall be effective as of the first day of the fifth consecutive month, and shall be made monthly during the continuance of such total disability. Such payments shall be concurrent with or independent of permanent and total disability benefits under the insurance policy. In addition to the monthly disability benefits the payment of premiums on the life insurance and for the total disability benefits authorized by this section shall be waived during the continuance of such total disability. Regulations shall provide for re-examinations of beneficiaries under this section; and, in the event that it is found that an insured is no longer totally disabled, the waiver of premiums and payment of benefits shall cease and the insurance policy, including the total disability

provision, may be continued by payment of premiums as provided in said policy and the total disability provision. Neither the dividends nor the amount payable in any settlement under any United States Government life insurance policy shall be decreased because of disability benefits granted under the provisions of this section. The payment of total disability benefits shall not prejudice the right of any insured, who is totally and permanently disabled, to permanent and total disability benefits under the insured's insurance policy. The provision authorized by this section shall not be included in any United States Government life insurance policy heretofore or hereafter issued, except upon application, payment of premium by the insured, and proof of good health satisfactory to the Secretary. The benefit granted under this section shall be on the basis of multiples of \$500, and not less than \$1,000 or more than the amount of insurance in force at time of application. The Secretary shall determine the amount of the monthly premium to cover the benefits of this section, and in order to continue such benefits in force the monthly premiums shall be payable until the insured attains the age of sixty-five years or until the prior maturity of the policy. In all other respects such monthly premium shall be payable under the same terms and conditions as the regular monthly premium on the United States Government life insurance policy.

If the designated beneficiary survives the insured and dies before receiving all of the installments of

A provision may also be included in such contracts authorizing the beneficiary to elect to receive payment of the insurance in installments for thirty-six months or more, but only if the insured has not exercised the right of election as provided in this subchapter. However, all settlements under option (2) above shall be calculated on the basis of The Annuity Table for 1949. If the option selected requires payment of monthly installments of less than \$10, the amount payable shall be paid in such maximum number of monthly installments as are a multiple of twelve as will provide a monthly installment of not less than \$10.

(c)(1) Following the death of the insured and in a case not covered by section 1950 of this title—

(A) if the first beneficiary otherwise entitled to payment of the insurance does not make a claim for such payment within two years after the death of the insured, payment may be made to another beneficiary designated by the insured, in the order of precedence as designated by the insured, as if the first beneficiary had predeceased the insured; and

(B) if, within four years after the death of the insured, no claim has been filed by a person designated by the insured as a beneficiary and the Secretary has not received any notice in writing that any such claim will be made, payment may (notwithstanding any other provision of law) be made to such person as may in the judgment of the Secretary be equitably entitled thereto.

(2) Payment of insurance under paragraph (1) shall be a bar to recovery by any other person.

§ 1957. Extra hazard costs

(b) Whenever benefits under United States Government life insurance become, or have become, payable because of total permanent disability of the insured or because of the death of the insured as a result of disease or injury traceable to the extra hazard of the military or naval service, as such hazard may be determined by the Secretary, the liability shall be borne by the United States. In such cases the Secretary shall transfer from the military and naval insurance appropriation to the United States Government Life Insurance Fund a sum which, together with the reserve of the policy at the time of maturity by total permanent disability or death, will equal the then value of such benefits. When a person receiving total permanent disability benefits under a United States Government life insurance policy recovers from such disability and is then entitled to continue a reduced amount of insurance, the Secretary shall transfer to the military and naval insurance appropriation all of the loss reserve to the credit of such policy claim except a sum sufficient to set up the then required reserve on the reduced amount of the insurance that may be continued, which sum shall be retained in the United States Government Life Insurance Fund for the purpose of such reserve.

(c) Whenever benefits under the total disability provision become, or have become, payable because of total disability of the insured as a result of disease or injury traceable to the extra hazard of the military or naval service, as such hazard may be determined by the Secretary, the liability shall be borne by the United States,

When a person receiving such payments on account of total disability recovers from such disability and is then entitled to continued protection under the total disability provision, the Secretary shall transfer to the United States Government Life Insurance Fund a sum sufficient to set up the then required reserve on such total disability benefit.

(d) Any disability for which a waiver was required as a condition to tendering a person a commission under Public Law 816, Seventy-seventh Congress, shall be deemed to be a disability resulting from an injury or disease traceable to the extra hazard of military or naval service for the purpose of applying this section.

(A) In the case of any member of a uniformed service on active duty (other than active duty for training)—

(i) the member; and

(ii) each insurable dependent of the member (other than a dependent who is also a member of a uniformed service and, because of such membership, is automatically insured under this paragraph).

(B) Any member of a uniformed service on active duty for training or inactive duty training scheduled in advance by competent authority.

(C) In the case of any member of the Ready Reserve of a uniformed service who meets the qualifications set forth in subparagraph (B) or (C) of section 1965(5) of this title—

(i) the member; and

(ii) each insurable dependent of the member (other than a dependent who is also a member of a uniformed service and, because of such membership, is automatically insured under this paragraph).

(2)(A) A member may elect in writing not to be insured under this subchapter.

(C) In no case may the amount of insurance coverage under this subsection of a member's spouse exceed the amount of insurance coverage of the member.

(4)(A) An insurable dependent of a member is not insured under this chapter unless the member is insured under this subchapter.

(B) An insurable dependent who is a child may not be insured at any time by the insurance coverage under this chapter of more than one member. If an insurable dependent who is a child is otherwise eligible to be insured by the coverage of more than one member under this chapter, the child shall be insured by the coverage of the member whose eligibility for insurance under this subchapter occurred first, except that if

that member does not have legal custody of the child, the child shall be insured by the coverage of the member who has legal custody of the child.

(5) The insurance shall be effective with respect to a member and the insurable dependents of the member on the latest of the following dates:

(1) who, when authorized or required by competent authority, assumes an obligation to perform (for less than thirty-one days) active duty, or active duty for training, or inactive duty training scheduled in advance by competent authority; and

(2) who is rendered uninsurable at standard premium rates according to the good health standards approved by the Secretary, or dies within one hundred and twenty days thereafter, from a disability, or aggravation of a preexisting disability, incurred by such member while proceeding directly to or returning directly from such active duty, active duty for training, or inactive duty training as the case may be;

shall be deemed to have been on active duty, active duty for training, or inactive duty training, as the case may be, and to have been insured under this subchapter at the time such disability was incurred or aggravated, and if death occurs within one hundred and twenty days thereafter as a result of such disability to have been insured at the time of death. In determining whether or not such individual was so authorized or required to perform such duty, and whether or not such member was rendered uninsurable or died within one hundred and twenty days thereafter from a disability so incurred or aggravated, there shall be taken into account the call or order to duty, the orders and authorizations of competent authority, the hour on which the member began to so proceed or to return, the hour on which such member was scheduled to arrive for, or on which such member ceased to perform such duty; the method of

travel employed; such member's itinerary; the manner in which the travel was performed; and the immediate cause of disability or death. Whenever any claim is filed alleging that the claimant is entitled to benefits by reason of this subsection, the burden of proof shall be on the claimant.

(c) If a person eligible for insurance under this subchapter is not so insured, or is insured for less than the maximum amount provided for the person under subparagraph (A) of subsection (a)(3), by reason of an election made by a member under subparagraph (B) of that subsection, the person may thereafter be insured under this subchapter in the maximum amount or any lesser amount elected as provided in such subparagraph (B) upon written application by the member, proof of good health of each person (other than a child) to be so insured, and compliance with such other terms and conditions as may be prescribed by the Secretary. Any former member insured under Veterans' Group Life Insurance who again becomes eligible for Servicemembers' Group Life Insurance and declines such coverage solely for the purpose of maintaining such member's Veterans' Group Life Insurance in effect shall upon termination of coverage under Veterans' Group Life Insurance be automatically insured under Servicemembers' Group Life Insurance, if otherwise eligible therefor.

(d) Whenever a member has the opportunity to make an election under subsection (a) not to be insured under this subchapter, or to be insured under this subchapter in an amount less than the maximum amount in effect under paragraph (3)(A)(i) of that subsection, and at such other times periodically thereafter as the Secretary concerned considers appropriate, the Secretary concerned shall furnish to the member general information concerning life insurance. Such information shall include—

(1) the purpose and role of life insurance in financial planning;

(2) the difference between term life insurance and whole life insurance;

(3) the availability of commercial life insurance; and

(4) the relationship between Servicemembers' Group Life Insurance and Veterans' Group Life Insurance.

(e) The effective date and time for any change in benefits under the Servicemembers' Group Life Insurance Program shall be based on the date and time according to the time zone immediately west of the International Date Line.

(f)(1) If a member who is married and who is eligible for insurance under this section makes an election under subsection (a)(2)(A) not to be insured under this subchapter, the Secretary concerned shall notify the member's spouse, in writing, of that election.

(2) In the case of a member who is married and who is insured under this section and whose spouse is designated as a beneficiary of the member under this subchapter, whenever the member makes an election under subsection (a)(3)(B) for insurance of the member in an amount that is less than the maximum amount provided under subsection (a)(3)(A)(i), the Secretary concerned shall notify the member's spouse, in writing, of that election—

(A) in the case of the first such election; and
(B) in the case of any subsequent such election if the effect of such election is to reduce the amount of insurance coverage of the member from that in effect immediately before such election.

(3) In the case of a member who is married and who is insured under this section, if the member makes a designation under section 1970(a) of this title of any person other than the spouse or a child of the member as the beneficiary of the member for any amount of insurance under this subchapter, the Secretary concerned shall notify the member's spouse, in writing, that such a beneficiary designation has been made by the member, except that such a notification is not required if the spouse has previously received such a notification under this paragraph and if immediately before the new designation by the member under section 1970(a) of this title the spouse is not a designated beneficiary of the member for any amount of insurance under this subchapter.

(4) A notification required by this subsection is satisfied by a good faith effort to provide the required information to the spouse at the last address of the spouse in the records of the Secretary concerned. Failure to provide a notification required under this subsection in a timely manner does not affect the validity of any election specified in paragraph (1) or (2) or beneficiary designation specified in paragraph (3).

§ 1969. Deductions; payment; investment; expenses

(a)(1) During any period in which a member, on active duty or active duty for training under a call or order to such duty that does not specify a period of less than thirty-one days, is insured under Servicemembers' Group Life Insurance, there shall be deducted each month from the member's basic or other pay until separation or release from such duty an amount determined by the Secretary (which shall be the same for all such members) as the share of the cost attributable to insuring such member under such policy, less any costs traceable to the extra hazard of such duty in the uniformed service.

(2)(A) During any month in which a member is assigned to the Ready Reserve of a uniformed service under conditions which meet the qualifications of (subparagraph (B) or (C) of section 1965(5) of this title, and is insured under a policy of insurance purchased by the Secretary, under section 1966 of this title, there shall be contributed from the appropriation made for active duty pay of the uniformed service concerned an amount determined by the Secretary (which shall be the same for all such members) as the share of the cost attributable to insuring such

member under this policy, less any costs traceable to the extra hazards of such duty in the uniformed services. Any amounts so contributed on behalf of any individual shall be collected by the Secretary concerned from such individual (by deduction from pay or otherwise) and shall be credited to the appropriation from which such contribution was made.

(B) If an individual who is required pursuant to subparagraph (A) to make a direct remittance of costs to the Secretary concerned fails to make the required remittance within 60 days of the date on which such remittance is due, such individual's insurance with respect to which such remittance is required shall be terminated by the Secretary concerned. Such termination shall be made by written notice to the individual's official address and shall be effective 60 days after the date of such notice. Such termination of insurance may be vacated if, before the effective date of termination, the individual remits all amounts past due for such insurance and demonstrates to the satisfaction of the Secretary concerned that the failure to make timely remittances was justifiable.

(3) During any fiscal year, or portion thereof, that a member is on active duty or active duty for training under a call or order to such duty that specifies a period of less than thirty-one days, or is authorized or required to perform inactive duty training scheduled in advance by competent authority, and is insured under Servicemembers' Group Life Insurance, the Secretary concerned shall collect from the member (by deduction from pay or otherwise) an amount determined by the Secretary (which shall be the same for all such members) as the share of the cost attributable to insuring such member under such policy, less any costs traceable to the extra hazard of such duty in the uniformed service.

(4) Any amount not deducted from the basic or other pay of a member insured under Servicemembers' Group Life Insurance, or collected from the member by the Secretary concerned, if not otherwise paid, shall be deducted from the proceeds of any insurance thereafter payable. The initial monthly amount under paragraph (1) or (2) hereof, or fiscal year amount under paragraph (3) hereof, determined by the Secretary to be charged under this section for Servicemembers' Group Life Insurance may be continued from year to year, except that the Secretary may redetermine such monthly or fiscal year amounts from time to time in accordance with experience. No refunds will be made to any member of any amount properly deducted from the member's basic or other pay, or collected from the member by the Secretary concerned, to cover the insurance granted under Servicemembers' Group Life Insurance.

(b) For each month for which any member is so insured, there shall be contributed from the appropriation made for active duty pay of the uniformed service concerned an amount determined by the Secretary and certified to the Secretary concerned to be the cost of Servicemembers' Group Life Insurance which is traceable to the extra hazard of duty in the uniformed services. Effective January 1, 1970, such cost shall be determined by the Secretary on the basis of the excess mortality incurred by mem-

bers and former members of the uniformed services insured under Servicemembers' Group Life Insurance above what their mortality would have been under peacetime conditions as such mortality is determined by the Secretary using such methods and data as the Secretary shall determine to be reasonable and practicable. The Secretary is authorized to make such adjustments regarding contributions from pay appropriations as may be indicated from actual experience.

(c) An amount equal to the first amount due on Servicemembers' Group Life Insurance may be advanced from current appropriations for active-service pay to any such member, which amount shall constitute a lien upon any service or other pay accruing to the person from whom such advance was made and shall be collected therefrom if not otherwise paid. No disbursing or certifying officer shall be responsible for any loss incurred by reason of such advance.

(d)(1) The sums withheld from the basic or other pay of members, or collected from them by the Secretary concerned, under subsection (a) of this section, and the sums contributed from appropriations under subsection (b) of this section, together with the income derived from any dividends or premium rate adjustments received from insurers shall be deposited to the credit of a revolving fund established in the Treasury of the United States. All premium payments and extra hazard costs on Servicemembers' Group Life Insurance and the administrative cost to the Department of insurance issued under this subchapter shall be paid from the revolving fund.

(2) The Secretary is authorized to set aside out of the revolving fund such amounts as may be required to meet the administrative costs to the Department of insurance issued under this subchapter and all current premium payments and extra hazard costs on any insurance policy or policies purchased under section 1966 of this title. The Secretary of the Treasury is authorized to invest in and to sell and retire special interest-bearing obligations of the United States for the account of the revolving fund. Such obligations issued for this purpose shall have maturities fixed with due regard for the needs of the fund and shall bear interest at a rate equal to the average market yield (computed by the Secretary of the Treasury on the basis of market quotations as of the end of the calendar month next preceding the date of issue) on all marketable interest-bearing obligations of the United States then forming a part of the public debt which are not due or callable until after the expiration of four years from the end of such calendar month; except that where such average market yield is not a multiple of one-eighth of 1 per centum, the rate of interest of such obligation shall be the multiple of one-eighth of 1 per centum nearest such market yield.

(3) Notwithstanding the provisions of section 1982 of this title, the Secretary shall, from time to time, determine the administrative costs to the Department which in the Secretary's judgment are properly allocable to insurance issued under this subchapter and shall transfer such cost from the revolving fund to the appropriation "General Operating Expenses, Department of Veterans Affairs".

(e) The Secretary of Defense shall prescribe regulations for the administration of the functions of the Secretaries of the military departments under this section. Such regulations shall prescribe such procedures as the Secretary of Defense, after consultation with the Secretary, may consider necessary to ensure that such functions are carried out in a timely and complete manner and in accordance with the provisions of this section, including specifically the provisions of subsection (a)(2) of this section relating to contributions from appropriations made for active duty pay.

§ 1970. Beneficiaries; payment of insurance

(a) Any amount of insurance under this subchapter in force on any member or former member on the date of the insured's death shall be paid, upon the establishment of a valid claim therefor, to the person or persons surviving at the date of the insured's death, in the following order of precedence:

First, to the beneficiary or beneficiaries as the member or former member may have designated by a writing received prior to death (1) in the uniformed services if insured under Servicemembers' Group Life Insurance, or (2) in the administrative office established under section 1966(b) of this title if separated or released from service, or if assigned to the Retired Reserve, and insured under Servicemembers' Group Life Insurance, or if insured under Veterans' Group Life Insurance;

Second, if there be no such beneficiary, to the widow or widower of such member or former member;

Third, if none of the above, to the child or children of such member or former member and descendants of deceased children by representation;

Fourth, if none of the above, to the parents of such member or former member or the survivor of them;

Fifth, if none of the above, to the duly appointed executor or administrator of the estate of such member or former member;

Sixth, if none of the above, to other next of kin of such member or former member entitled under the laws of domicile of such member or former member at the time of the insured's death.

(b) If any person otherwise entitled to payment under this section does not make claim therefor within one year after the death of the member or former member, or if payment to such person within that period is prohibited by Federal statute or regulation, payment may be made in the order of precedence as if such person had predeceased the member or former member, and any such payment shall be a bar to recovery by any other person.

(c) If, within two years after the death of the member or former member, no claim for payment has been filed by any person entitled under

the order of precedence set forth in this section, and neither the Secretary nor the administrative office established by the insurance company or companies pursuant to section 1966(b) of this title has received any notice that any such claim will be made, payment may be made to a claimant as may in the judgment of the Secretary be equitably entitled thereto, and such payment shall be a bar to recovery by any other person.

(d) The member may elect settlement of insurance under this subchapter either in a lump sum or in thirty-six equal monthly installments. If no such election is made by the member the beneficiary or beneficiaries may elect settlement either in a lump sum or in thirty-six equal monthly installments. If the member has elected settlement in a lump sum, the beneficiary or beneficiaries may elect settlement in thirty-six equal monthly installments.

(e) Until and unless otherwise changed, a beneficiary designation and settlement option filed by a member with the member's uniformed service under prior provisions of law will be effective with respect to the increased insurance authorized under the Veterans' Insurance Act of 1974 and the insurance shall be settled in the same proportionate amount as the portion designated for such beneficiary or beneficiaries bore to the amount of insurance heretofore in effect.

(f) Notwithstanding the provisions of any other law, payment of matured Servicemembers' Group Life Insurance or Veterans' Group Life Insurance benefits may be made directly to a minor widow or widower on his or her own behalf, and payment in such case shall be a complete acquittance to the insurer.

(g) Any payments due or to become due under Servicemembers' Group Life Insurance or Veterans' Group Life Insurance made to, or on account of, an insured or a beneficiary shall be exempt from taxation, shall be exempt from the claims of creditors, and shall not be liable to attachment, levy, or seizure by or under any legal or equitable process whatever, either before or after receipt by the beneficiary. (relating to the seizure of property for collection of taxes), and (3) the taxation of any property purchased in part or wholly out of such payments.

(h) Insurance payable under this subchapter may not be paid in any amount to the extent that such amount would escheat to a State. Payment of insurance under this subchapter may not be made to the estate of the insured or the estate of any beneficiary of the insured unless it is affirmatively shown that any amount to be paid will not escheat to a State. Any amount to be paid under this subchapter shall be reduced to the extent necessary to comply with this subsection.

(i) Any amount of insurance in force on an insurable dependent of a member under this subchapter on the date of the dependent's death shall be paid, upon the establishment of a valid claim therefor, to the member or, in the event of

the member's death before payment to the member can be made, then to the person or persons entitled to receive payment of the proceeds of insurance on the member's life under this subchapter.

Amendment by Pub. L. 91-291 effective June 25, 1970, see section 14(a) of Pub. L. 91-291, set out as a note under section 1317 of this title.

§ 1971. Basic tables of premiums; readjustment of rates

(a) Each policy or policies purchased under section 1966 of this title shall include for the first policy year a schedule of basic premium rates by age which the Secretary shall have determined on a basis consistent with the lowest schedule of basic premium rates generally charged for new group life insurance policies issued to large employers, this schedule of basic premium rates by age to be applied, except as otherwise provided in this section, to the distribution by age of the amount of group life in-

surance under the policy at its date of issue to determine an average basic premium per \$1,000 of insurance. Each policy so purchased shall also include provisions whereby the basic rates of premium determined for the first policy year shall be continued for subsequent policy years, except that they may be readjusted for any subsequent year, based on the experience under the policy, such readjustment to be made by the insurance company or companies issuing the policy on a basis determined by the Secretary in advance of such year to be consistent with the general practice of life insurance companies under policies of group life insurance issued to large employers.

(b) The total premiums for Servicemembers' Group Life Insurance shall be the sum of the amounts computed according to the provisions of subsection (a) above and the estimated cost traceable to the extra hazard of active duty in the uniformed services as determined by the Secretary, subject to the provision that such estimated costs traceable to the extra hazard shall be retroactively readjusted annually in accordance with section 1969(b).

(c) Each policy so purchased shall include a provision that, in the event the Secretary determines that ascertaining the actual age distribution of the amounts of group life insurance in force at the date of issue of the policy or at the end of the first or any subsequent year of insurance thereunder would not be possible except at a disproportionately high expense, the Secretary may approve the determination of a tentative average group life premium, for the first or any subsequent policy year, in lieu of using the actual age distribution. Such tentative average premium rate shall be redetermined by the Secretary during any policy year upon request by the insurance company or companies issuing the policy, if experience indicates that the assumptions made in determining the tentative average premium rate for that policy year were incorrect.

(d) Each policy so purchased shall contain a provision stipulating the maximum expense and risk charges for the first policy year, which charges shall have been determined by the Secretary on a basis consistent with the general level of such charges made by life insurance companies under policies of group life insurance issued to large employers. Such maximum charges shall be continued from year to year, except that the Secretary may redetermine such maximum charges for any year either by agreement with the insurance company or companies issuing the policy or upon written notice given by the Secretary to such companies at least one year in advance of the beginning of the year for which such redetermined maximum charges will be effective.

(e) Each such policy shall provide for an accounting to the Secretary not later than ninety days after the end of each policy year, which shall set forth, in a form approved by the Secretary, (1) the amounts of premiums actually accrued under the policy from its date of issue to the end of such policy year, (2) the total of all mortality and other claim charges incurred for that period, and (3) the amounts of the insurers' expense and risk charge for that period. Any ex-

cess of the total of item (1) over the sum of items (2) and (3) shall be held by the insurance company or companies issuing the policy as a special contingency reserve to be used by such insurance company or companies for charges under such policy only, such reserve to bear interest at a rate to be determined in advance of each policy year by the insurance company or companies issuing the policy, which rate shall be approved by the Secretary as being consistent with the rates generally used by such company or companies for similar funds held under other group life insurance policies. If and when the Secretary determines that such special contingency reserve has attained an amount estimated by the Secretary to make satisfactory provision for adverse fluctuations in future charges under the policy, any further excess shall be deposited to the credit of the revolving fund established under section 1969(d)(1) of this title. If and when such policy is discontinued, and if after all charges have been made, there is any positive balance remaining in such special contingency reserve, such balance shall be deposited to the credit of the revolving fund, subject to the right of the insurance company or companies issuing the policy to make such deposit in equal monthly installments over a period of not more than two years.

§ 1977. Veterans' Group Life Insurance

(a)(1) Except as provided in paragraph (3), Veterans' Group Life Insurance shall be issued in the amounts specified in section 1967(a) of this title. In the case of any individual, the amount of Veterans' Group Life Insurance may not exceed the amount of Servicemembers' Group Life Insurance coverage continued in force after the expiration of the period of duty or travel under section 1967(b) or 1968(a) of this title. No person may carry a combined amount of Servicemembers' Group Life Insurance and Veterans' Group Life Insurance at any one time in excess of the maximum amount for Servicemembers' Group Life Insurance in effect under section 1967(a)(3)(A)(i) of this title.

(2) If any person insured under Veterans' Group Life Insurance again becomes insured under Servicemembers' Group Life Insurance but dies before terminating or converting such person's Veterans' Group Insurance, Veterans' Group Life Insurance shall be payable only if such person is insured under Servicemembers' Group Life Insurance for less than the maximum amount for such insurance in effect under section 1967(a)(3)(A)(i) of this title, and then only in an amount which, when added to the amount of Servicemembers' Group Life Insurance payable, does not exceed such maximum amount in effect under such section.

(3) Not more than once in each five-year period beginning on the one-year anniversary of the date a person becomes insured under Veterans' Group Life Insurance, such person may elect in writing to increase by \$25,000 the amount for which the person is insured if—

(A) the person is under the age of 60; and

(B) the total amount for which the person is insured does not exceed the amount provided for under section 1967(a)(3)(A)(i) of this title.

(b) Veterans' Group Life Insurance shall (1) provide protection against death; (2) be issued on a renewable five-year term basis; (3) have no cash, loan, paid-up, or extended values; (4) except as otherwise provided, lapse for nonpayment of premiums; and (5) contain such other terms and conditions as the Secretary determines to be reasonable and practicable which are not specifically provided for in this section, including any provisions of this subchapter not specifically made inapplicable by the provisions of this section.

(c) The premiums for Veterans' Group Life Insurance shall be established under the criteria set forth in sections 1971(a) and (c) of this title, except that the Secretary may provide for average premiums for such various age groupings as the Secretary may decide to be necessary according to sound actuarial principles, and shall include an amount necessary to cover the administrative cost of such insurance to the company or companies issuing such insurance. Such premiums shall be payable by the insureds thereunder as provided by the Secretary directly to the administrative office established for such insurance under section 1966(b) of this title. In any case in which a member or former member who was mentally incompetent on the date such member or former member first became insured under Veterans' Group Life Insurance dies within one year of such date, such insurance shall be deemed not to have lapsed for nonpayment of premiums and to have been in force on the date of death. Where insurance is in force under the preceding sentence, any unpaid premiums may be deducted from the proceeds of the insurance. Any person who claims eligibility for Veterans' Group Life Insurance based on disability incurred during a period of duty shall be required to submit evidence of qualifying health conditions and, if required, to submit to physical examinations at their own expense.

(d) Any amount of Veterans' Group Life Insurance in force on any person on the date of such person's death shall be paid, upon the establishment of a valid claim therefor, pursuant to the provisions of section 1970 of this title. However,

any designation of beneficiary or beneficiaries for Servicemembers' Group Life Insurance filed with a uniformed service until changed, shall be considered a designation of beneficiary or beneficiaries for Veterans' Group Life Insurance, but not for more than sixty days after the effective date of the insured's Veterans' Group Insurance, unless at the end of such sixty-day period, the insured is incompetent in which event such designation may continue in force until the disability is removed but not for more than five years after the effective date of the insured's Veterans' Group Life Insurance. Except as indicated above in incompetent cases, after such sixty-day period, any designation of beneficiary or beneficiaries for Veterans' Group Life Insurance to be effective must be by a writing signed by the insured and received by the administrative office established under section 1966(b) of this title.

(e) An insured under Veterans' Group Life Insurance shall have the right at any time to convert such insurance to an individual policy of life insurance upon written application for conversion made to the participating company the insured selects and payment of the required premiums. The individual policy will be issued without medical examination on a plan then currently written by such company which does not provide for the payment of any sum less than the face value thereof or for the payment of an additional amount as premiums in the event the insured performs active duty, active duty for training, or inactive duty training. The Veterans' Group Life Insurance policy converted to an individual policy under this subsection shall terminate on the day before the date on which the individual policy becomes effective. Upon request to the administrative office established under section 1966(b) of this title, an insured under Veterans' Group Life Insurance shall be furnished a list of life insurance companies participating in the program established under this subchapter. In addition to the life insurance companies participating in the program established under this subchapter, the list furnished to an insured under this section shall include additional life insurance companies (not so participating) which meet qualifying criteria, terms, and conditions established by the Secretary and agree to sell insurance to former members in accordance with the provisions of this section.

(f) The provisions of subsections (d) and (e) of section 1971 of this title shall be applicable to Veterans' Group Life Insurance. However, a separate accounting shall be required for each program of insurance authorized under this subchapter. In such accounting, the Secretary is authorized to allocate claims and other costs among such programs of insurance according to accepted actuarial principles.

(g) Any person whose Servicemembers' Group Life Insurance was continued in force after termination of duty or discharge from service under the law as in effect prior to the date on which the Veterans' Group Life Insurance program (provided for under section 1977 of this title) became effective, and whose coverage under Servicemembers' Group Life Insurance terminated less than four years prior to such

date, shall be eligible within one year from the effective date of the Veterans' Group Life Insurance program to apply for and be granted Veterans' Group Life Insurance in an amount equal to the amount of the insured's Servicemembers' Group Life Insurance which was not converted to an individual policy under prior law. Veterans' Group Life Insurance issued under this subsection shall be issued for a term period equal to five years, less the time elapsing between the termination of the applicant's Servicemembers' Group Life Insurance and the effective date on which the Veterans' Group Life Insurance program became effective. Veterans' Group Life Insurance under this subsection shall only be issued upon application to the administrative office established under section 1966(b) of this title, payment of the required premium, and proof of good health satisfactory to that office, which proof shall be submitted at the applicant's own expense. Any person who cannot meet the good health requirements for insurance under this subsection solely because of a service-connected disability shall have such disability waived. For each month for which any eligible veteran, whose service-connected disabilities are waived, is insured under this subsection there shall be contributed to the insurer or insurers issuing the policy or policies from the appropriation "Compensation and Pensions, Department of Veterans Affairs" an amount necessary to cover the cost of the insurance in excess of the premiums established for eligible veterans, including the cost of the excess mortality attributable to such veteran's service-connected disabilities. The Secretary may establish, as the Secretary may determine to be necessary according to sound actuarial principles, a separate premium, age groupings for premium purposes, accounting, and reserves, for persons granted insurance under this subsection different from those established for other persons granted insurance under this section. Appropriations to carry out the purpose of this section are hereby authorized.

(h)(1) Notwithstanding any other provision of law, members of the Individual Ready Reserve and the Inactive National Guard are eligible to be insured under Veterans' Group Life Insurance. Any such member shall be so insured upon submission of an application in the manner prescribed by the Secretary and the payment of premiums as required under this section.

(2) In accordance with subsection (b), Veterans' Group Life Insurance coverage under this subsection shall be issued on a renewable five-year term basis, but the person insured must remain a member of the Individual Ready Reserve or Inactive National Guard throughout the period of the insurance in order for the insurance of such person to be renewed.

(3) For the purpose of this subsection, the terms "Individual Ready Reserve" and "Inactive National Guard" shall have the meanings prescribed by the Secretary in consultation with the Secretary of Defense.

§ 1980A. Traumatic injury protection

(a)(1) A member of the uniformed services who is insured under Servicemembers' Group Life Insurance shall automatically be insured for traumatic injury in accordance with this section. In-

surance benefits under this section shall be payable if the member, while so insured, sustains a traumatic injury on or after December 1, 2005, that results in a qualifying loss specified pursuant to subsection (b)(1).

(2) If a member suffers more than one such qualifying loss as a result of traumatic injury from the same traumatic event, payment shall be made under this section in accordance with the schedule prescribed pursuant to subsection (d) for the single loss providing the highest payment.

(b)(1) A member who is insured against traumatic injury under this section is insured against such losses due to traumatic injury (in this section referred to as "qualifying losses") as are prescribed by the Secretary by regulation. Qualifying losses so prescribed shall include the following:

- (A) Total and permanent loss of sight.
- (B) Loss of a hand or foot by severance at or above the wrist or ankle.

(C) The term "hemiplegia" means the complete and irreversible paralysis of the upper and lower limbs on one side of the body.

(3) The Secretary may prescribe, by regulation, conditions under which coverage otherwise provided under this section is excluded.

(4) A member shall not be considered for the purposes of this section to be a member insured under Servicemembers' Group Life Insurance if the member is insured under Servicemembers' Group Life Insurance only as an insurable dependent of another member pursuant to subparagraph (A)(ii) or (C)(ii) of section 1967(a)(1) of this title.

(c)(1) A payment may be made to a member under this section only for a qualifying loss that results directly from a traumatic injury sustained while the member is covered against loss under this section and from no other cause.

(2)(A) A payment may be made to a member under this section for a qualifying loss resulting from a traumatic injury only for a loss that is incurred during the applicable period of time specified pursuant to subparagraph (B).

(B) For each qualifying loss, the Secretary shall prescribe, by regulation, a period of time to be the period of time within which a loss of that type must be incurred, determined from the date on which the member sustains the traumatic injury resulting in that loss, in order for that loss to be covered under this section.

(d)(1) Payments under this section for qualifying losses shall be made in accordance with a schedule prescribed by the Secretary, by regulation, specifying the amount of payment to be made for each type of qualifying loss, to be based on the severity of the qualifying loss. The minimum payment that may be prescribed for a qualifying loss is \$25,000, and the maximum payment that may be prescribed for a qualifying loss is \$100,000.

(2) As the Secretary considers appropriate, the schedule required by paragraph (1) may distinguish in specifying payments for qualifying losses between the severity of a qualifying loss of a dominant hand and of a qualifying loss of a nondominant hand.

(e)(1) During any period in which a member is insured under this section and the member is on active duty, there shall be deducted each month from the member's basic or other pay until separation or release from active duty an amount determined by the Secretary (which shall be the same for all such members) as the share of the cost attributable to provided coverage under this section, less any costs traceable to the extra hazards of such duty in the uniformed services.

(2) During any month in which a member is assigned to the Ready Reserve of a uniformed service under conditions which meet the qualifications set forth in section 1965(5)(B) of this title and is insured under a policy of insurance purchased by the Secretary under section 1966 of this title, there shall be contributed from the appropriation made for active duty pay of the uniformed service concerned an amount determined by the Secretary (which shall be the same for all such members) as the share of the cost attributable to provided coverage under this section, less any costs traceable to the extra hazards of such duty in the uniformed services. Any amounts so contributed on behalf of any member shall be collected by the Secretary concerned from such member (by deduction from pay or otherwise) and shall be credited to the appropriation from which such contribution was made in advance on a monthly basis.

(3) The Secretary shall determine the premium amounts to be charged for traumatic injury protection coverage provided under this section.

(4) The premium amounts shall be determined on the basis of sound actuarial principles and shall include an amount necessary to cover the administrative costs to the insurer or insurers providing such insurance.

(5) Each premium rate for the first policy year shall be continued for subsequent policy years, except that the rate may be adjusted for any

such subsequent policy year on the basis of the experience under the policy, as determined by the Secretary in advance of that policy year.

(6) The cost attributable to insuring members under this section for any month or other period specified by the Secretary, less the premiums paid by the members, shall be paid by the Secretary concerned to the Secretary. The Secretary shall allocate the amount payable among the uniformed services using such methods and data as the Secretary determines to be reasonable and practicable. Payments under this paragraph shall be made on a monthly basis or at such other intervals as may be specified by the Secretary and shall be made within 10 days of the date on which the Secretary provides notice to the Secretary concerned of the amount required.

(7) For each period for which a payment by a Secretary concerned is required under paragraph (6), the Secretary concerned shall contribute such amount from appropriations available for active duty pay of the uniformed service concerned.

(8) The sums withheld from the basic or other pay of members, or collected from them by the Secretary concerned, under this subsection, and the sums contributed from appropriations under this subsection, together with the income derived from any dividends or premium rate adjustments received from insurers shall be deposited to the credit of the revolving fund established in the Treasury of the United States under section 1869(d)(1) of this title.

(f) When a claim for benefits is submitted under this section, the Secretary of Defense or, in the case of a member not under the jurisdiction of the Secretary of Defense, the Secretary concerned, shall certify to the Secretary whether the member with respect to whom the claim is submitted—

(1) was at the time of the injury giving rise to the claim insured under Servicemembers' Group Life Insurance for the purposes of this section; and

(2) has sustained a qualifying loss.

(g)(1) Payment for a loss resulting from traumatic injury may not be made under the insurance coverage under this section if the member dies before the end of a period prescribed by the Secretary, by regulation, for such purpose that begins on the date on which the member sustains the injury.

(2) If a member eligible for a payment under this section dies before payment to the member can be made, the payment shall be made to the beneficiary or beneficiaries to whom the payment would be made if the payment were life insurance under section 1967(a) of this title.

(h) Coverage for loss resulting from traumatic injury provided under this section shall cease at midnight on the date of the termination of the member's duty status in the uniformed services that established eligibility for Servicemembers' Group Life Insurance. The termination of coverage under this section is effective in accordance with the preceding sentence, notwithstanding any continuation after the date specified in that sentence of Servicemembers' Group Life Insurance coverage pursuant to section 1968(a) of this title for a period specified in that section.

(i) Insurance coverage provided under this section is not convertible to Veterans' Group Life Insurance.

(j) Regulations under this section shall be prescribed in consultation with the Secretary of Defense.

(k) DESIGNATION OF FIDUCIARY OR TRUSTEE.—

(1) The Secretary concerned, in consultation with the Secretary, shall develop a process for the designation of a fiduciary or trustee of a member of the uniformed services who is insured against traumatic injury under this section. The fiduciary or trustee so designated would receive a payment for a qualifying loss under this section if the member is medically incapacitated (as determined pursuant to regulations prescribed by the Secretary concerned in consultation with the Secretary) or experiencing an extended loss of consciousness.

§ 1984. Suits on insurance

(a) In the event of disagreement as to claim, including claim for refund of premiums, under contract of National Service Life Insurance, United States Government life insurance, or yearly renewable term insurance between the Secretary and any person or persons claiming thereunder an action on the claim may be brought against the United States either in the United States District Court for the District of Columbia or in the district court of the United States in and for the district in which such person or any one of them resides, and jurisdiction is conferred upon such courts to hear and determine all such controversies. All persons having or claiming to have an interest in such insurance may be made parties to such suit, and such as are not inhabitants of or found within the district in which suit is brought may be brought in by order of the court to be served personally or by publication or in such other reasonable manner as the court may direct. In all cases where the Secretary acknowledges the indebtedness of

the United States upon any such contract of insurance and there is a dispute as to the person or persons entitled to payment, a suit in the nature of a bill of interpleader may be brought at the request of the Secretary in the name of the United States against all persons having or claiming to have any interest in such insurance in the United States District Court for the District of Columbia or in the district court in and for the district in which any such claimant resides; however, no less than thirty days before instituting such suit the Secretary shall mail a notice of such intention to each of the persons to be made parties to the suit. The courts of appeals for the several circuits, including the District of Columbia, shall respectively exercise appellate jurisdiction and, except as provided in section 1254 of title 28, the decrees of such courts of appeals shall be final.

(b) No suit on yearly renewable term insurance, United States Government life insurance, or National Service Life Insurance shall be allowed under this section unless the same shall have been brought within six years after the right accrued for which the claim is made. For the purposes of this section it shall be deemed that the right accrued on the happening of the contingency on which the claim is founded. The limitation of six years is suspended for the period elapsing between the filing with the Secretary of the claim sued upon and the denial of the claim. However, if a claim is timely filed the claimant shall have not less than ninety days from the date of mailing of notice of denial within which to file suit. After June 28, 1936, notice of denial of the claim under a contract of insurance shall be by registered mail or by certified mail directed to the claimant's last address of record. Infants, insane persons, or persons under other legal disability, or persons rated as incompetent or insane by the Secretary shall have three years in which to bring suit after the removal of their disabilities. If suit is seasonably begun and fails for defect in process, or for other reasons not affecting the merits, a new action, if one lies, may be brought within a year though the period of limitation has elapsed. No State or other statute of limitations shall be applicable to suits filed under this section.

(c) In any suit, action, or proceeding brought under the provisions of this section subpoenas for witnesses who are required to attend a court of the United States in any district may run into any other district. However, no writ of subpoena shall issue for witnesses living out of the district in which the court is held at a greater distance than one hundred miles from the place of holding the same without the permission of the court being first had upon proper application and cause shown. The word “district” and the words “district court” as used in this section shall be construed to include the District of Columbia and the United States District Court for the District of Columbia.

(d) Attorneys of the Department, when assigned to assist in the trial of cases, and employees of the Department when ordered in writing by the Secretary to appear as witnesses, shall be paid the regular travel and subsistence allowance paid to other employees when on official travel status.

(e) Part-time and fee-basis employees of the Department, in addition to their regular travel and subsistence allowance, when ordered in writing by the Secretary to appear as witnesses in suits under this section, may be allowed, within the discretion and under written orders of the Secretary, a fee in an amount not to exceed \$50 per day.

(f) Employees of the Department who are subpoenaed to attend the trial of any suit, under the provisions of this section, as witnesses for a party to such suit shall be granted court leave or authorized absence, as applicable, for the period they are required to be away from the Department in answer to such subpoenas.

(g) Whenever a judgment or decree shall be rendered in an action brought under the provisions of this section, the court, as a part of its judgment or decree, shall determine and allow reasonable fees for the attorneys of the successful party or parties and apportion same if proper, said fees not to exceed 10 per centum of the amount recovered and to be paid by the Department out of the payments to be made under the judgment or decree at a rate not exceeding one-tenth of each of such payments until paid; except that, in a suit brought by or on behalf of an insured during the insured's lifetime for waiver of premiums on account of total disability, the court, as part of its judgment or decree, shall determine and allow a reasonable fee to be paid by the insured to the insured's attorney.

(h) The term "claim" as used in this section means any writing which uses words showing an intention to claim insurance benefits; and the term "disagreement" means a denial of the claim, after consideration on its merits, by the Secretary or any employee or organizational unit of the Department heretofore or hereafter designated therefor by the Secretary.

(i) The Attorney General of the United States is authorized to agree to a judgment to be rendered by the chief judge of the United States court having jurisdiction of the case, pursuant to compromise approved by the Attorney General upon the recommendation of the United States attorney charged with the defense, upon such terms and for sums within the amount claimed to be payable, in any suit brought under the provisions of this section, on a contract of yearly renewable term insurance, and the Secretary shall make payments in accordance with any such judgment. The Comptroller General of the United States shall allow credit in the accounts of disbursing officers for all payments of insurance made in accordance with any such judgment. All such judgments shall constitute final settlement of the claim and no appeal therefrom shall be authorized.

(a) The United States shall automatically insure any eligible individual age 69 or younger who is or has been granted assistance in securing a suitable housing unit under this chapter against the death of the individual unless the individual (1) submits to the Secretary in writing the individual's election not to be insured under this section, or (2) fails to respond in a timely manner to a request from the Secretary for information on which the premium for such insurance can be based.

(b) The amount of insurance provided an individual under this section may not exceed the lesser of \$150,000, or after January 1, 2012, \$200,000, or the amount of the loan outstanding on the housing unit. The amount of such insurance shall be reduced according to the amortiza-

tion schedule of the loan and may not at any time exceed the amount of the outstanding loan with interest. If there is no outstanding loan on the housing unit, insurance is not payable under this section. If an eligible individual elects not to be insured under this section, the individual may thereafter be insured under this section, but only upon submission of an application, payment of required premiums, and compliance with such health requirements and other terms and conditions as may be prescribed by the Secretary.

(c) The premiums charged an individual for insurance under this section shall be paid at such time and in such manner as the Secretary prescribes. Any liability of the United States under such insurance shall be satisfied when such payment is made. If the Secretary is the holder of the mortgage loan, the insurance proceeds shall be credited to the loan indebtedness and deposited in the Veterans Housing Benefit Program Fund established by section 3722 of this title.

(f) The Secretary may prescribe such regulations relating to eligibility for insurance under this section, the maximum amount of insurance, the effective date of insurance, the maximum duration of insurance, and other pertinent matters not specifically provided for in this section as the Secretary determines are in the best interest of veterans or the United States.

(g) The amount of the insurance in force at any time shall be the amount necessary to pay the mortgage indebtedness in full, except as otherwise limited by subsection (b) of this section or regulations prescribed by the Secretary under this section.

(h) The Secretary shall issue to each individual insured under this section a certificate setting forth the benefits to which the individual is entitled under the insurance.

(2) Termination of the individual's ownership of the property securing the loan.

(3) Discontinuance of payment of premiums by the individual.

§ 2302. Funeral expenses

(a) In the case of a deceased veteran—

(1) who at the time of death was in receipt of compensation (or but for the receipt of retirement pay would have been entitled to compensation) or was in receipt of pension, or

(2) who was a veteran of any war or was discharged or released from the active military, naval, or air service for a disability incurred or aggravated in line of duty, whose body is held by a State (or a political subdivision of a State), and with respect to whom the Secretary determines—

(A) that there is no next of kin or other person claiming the body of the deceased veteran, and

(B) that there are not available sufficient resources to cover burial and funeral expenses,

the Secretary, in the Secretary’s discretion, having due regard to the circumstances in each case, may pay a sum not exceeding \$300 to such person as the Secretary prescribes to cover the burial and funeral expenses of the deceased veteran and the expense of preparing the body and transporting it to the place of burial. For the purpose of this subsection, the term “veteran” includes a person who died during a period deemed to be active military, naval, or air service under section 106(c) of this title.

(b) Except as hereafter provided in this subsection, no deduction shall be made from the burial allowance because of the veteran's net assets at the time of the death of such veteran, or because of any contribution from any source toward the burial and funeral expenses (including transportation) unless the amount of expenses incurred is covered by the amount actually paid therefor by the United States, a State, any agency or political subdivision of the United States or of a State, or the employer of the deceased veteran. No claim shall be allowed (1) for more than the difference between the entire amount of the expenses incurred and the amount paid by any or all of the foregoing, or (2) when the burial allowance would revert to the funds of a public or private organization or would discharge such an organization's obligation without payment. The burial allowance or any part thereof shall not be paid in any case where specific provision is otherwise made for payment of expenses of funeral, transportation, and interment under any other Act.

(b)(1) The Secretary shall furnish, when requested, an appropriate memorial headstone or marker for the purpose of commemorating an eligible individual whose remains are unavailable. Such a headstone or marker shall be furnished for placement in a national cemetery area reserved for that purpose under section 2403 of this title, a veterans' cemetery owned by a State, or, in the case of a veteran, in a State, local, or private cemetery.

(2) For purposes of paragraph (1), an eligible individual is any of the following:

(A) A veteran.

(B) The spouse or surviving spouse of a veteran.

(C) An eligible dependent child of a veteran.

(3) For purposes of paragraph (1), the remains of an individual shall be considered to be unavailable if the individual's remains—

(A) have not been recovered or identified;

(B) were buried at sea, whether by the individual's own choice or otherwise;

(C) were donated to science; or

(D) were cremated and the ashes scattered without interment of any portion of the ashes.

(B) who is unmarried and became permanently physically or mentally disabled and incapable of self-support before reaching 21 years of age, or before reaching 23 years of age if pursuing a course of instruction at an approved educational institution.

(c) A headstone or marker furnished under subsection (a), (b), or (d) of this section may be of any material, including but not limited to marble, granite, bronze, or slate, requested by

the person entitled to request such headstone or marker if the material requested is determined by the Secretary (1) to be cost effective, and (2) in a case in which the headstone or marker is to be placed in a national cemetery, to be aesthetically compatible with the area of the cemetery in which it is to be placed.

(d)(1) The Secretary shall furnish, when requested, an appropriate Government headstone or marker at the expense of the United States for the grave of an individual described in paragraph (2) or (5) of subsection (a) who is buried in a private cemetery, notwithstanding that the grave is marked by a headstone or marker furnished at private expense. (2) Any headstone or marker furnished under this subsection shall be delivered by the Secretary directly to the cemetery where the grave is located or to a receiving agent for delivery to the cemetery.

(3) The headstone or marker furnished under this subsection shall be the headstone or marker selected by the individual making the request from among all the headstones and markers made available by the Government for selection.

(4) In lieu of furnishing a headstone or marker under this subsection, the Secretary may furnish, upon request, a medallion or other device of a design determined by the Secretary to signify the deceased's status as a veteran, to be attached to a headstone or marker furnished at private expense.

(e)(1) The Secretary of Veterans Affairs shall provide an outer burial receptacle for each new grave in an open cemetery under the control of the National Cemetery Administration in which remains are interred in a casket. The Secretary of the Army may provide an outer burial receptacle for such a grave in the Arlington National Cemetery.

(2) The use of outer burial receptacles in a cemetery under the control of the National Cemetery Administration or in the Arlington National Cemetery shall be in accordance with regulations or procedures approved by the Secretary of Veterans Affairs or Secretary of the Army, respectively.

(3) Regulations or procedures under paragraph (2) may specify that—

(A) an outer burial receptacle other than a grave liner be provided in lieu of a grave liner at the election of the survivors of the interred veteran; and

(B) if an outer burial receptacle other than a grave liner is provided in lieu of a grave liner upon an election of such survivors, such survivors be required—

(i) to pay the amount by which the cost of the outer burial receptacle exceeds the cost of the grave liner that would otherwise have been provided in the absence of the election; and

(ii) to pay the amount of the administrative costs incurred by the Secretary (or, with respect to Arlington National Cemetery, the Secretary of the Army) in providing the outer burial receptacle in lieu of such grave liner.

(4) Regulations or procedures under paragraph (2) may provide for the use of a voucher system, or other system of reimbursement approved by the Secretary (or, with respect to Arlington National Cemetery, the Secretary of the Army), for payment for outer burial receptacles other than grave liners provided under such regulations or procedures.

(1) is unable to identify the veteran's next of kin, if any; and

(2) determines that sufficient resources for the furnishing of a casket or urn for the burial of the veteran in a national cemetery are not otherwise available.

(g)(1) When the Secretary has furnished a headstone or marker under subsection (a) for the unmarked grave of an individual, the Secretary shall, if feasible, add a memorial inscription to that headstone or marker rather than furnishing a separate headstone or marker under that subsection for the surviving spouse or eligible dependent child of such individual.

(2) When the Secretary has furnished a memorial headstone or marker under subsection (b) for purposes of commemorating a veteran or an individual who died in the active military, naval, or air service, the Secretary shall, if feasible, add a memorial inscription to that headstone or marker rather than furnishing a separate memorial headstone or marker under that subsection for the surviving spouse or eligible dependent child of such individual.

§ 2404. Administration

(a) The Secretary is authorized to make all rules and regulations which are necessary or appropriate to carry out the provisions of this chapter, and may designate those cemeteries which are considered to be national cemeteries.

(b) In conjunction with the development and administration of cemeteries for which the Secretary is responsible, the Secretary shall provide all necessary facilities including, as necessary, superintendents' lodges, chapels, crypts, mausoleums, and columbaria.

(c)(1) Subject to paragraph (2), each grave in a national cemetery shall be marked with an appropriate marker. Such marker shall bear the name of the person buried, the number of the grave, and such other information as the Secretary shall by regulation prescribe.

(2) The grave markers referred to in paragraph (1) shall be upright for interments that occur on or after January 1, 1987, except that—

(A) in the case of any cemetery scheduled to be closed by September 30, 1991, as indicated in the documents submitted by the Administrator of Veterans' Affairs to the Congress in justification for the amounts included for Veterans' Administration programs in the President's Budget for fiscal year 1987, the Secretary may provide for flat grave markers;

(B) in the case of any cemetery with a section which has flat markers on October 28, 1986, the Secretary may continue to provide for flat grave markers in such section;

(D) in the case of grave sites of cremated remains that are interred in the ground, the Secretary may provide for flat grave markers.

(d) There shall be kept in each national cemetery, and at the main office of the Department, a register of burials in each cemetery setting forth the name of each person buried in the cemetery, the number of the grave in which the veteran is buried, and such other information as the Secretary by regulation may prescribe.

(e) In carrying out the Secretary's responsibilities under this chapter, the Secretary may contract with responsible persons, firms, or corporations for the care and maintenance of such cemeteries under the Secretary's jurisdiction as the Secretary shall choose, under such terms and conditions as the Secretary may prescribe.

(f)(1) The Secretary is authorized to convey to any State, or political subdivision thereof, in which any national cemetery is located, all right, title, and interest of the United States in and to any Government owned or controlled approach road to such cemetery if, prior to the delivery of any instrument of conveyance, the State or political subdivision to which such conveyance is to be made notifies the Secretary in writing of its willingness to accept and maintain the road included in such conveyance. Upon the execution and delivery of such a conveyance, the jurisdiction of the United States over the road conveyed shall cease and thereafter vest in the State or political subdivision concerned.

(2) The Secretary may, to the extent of appropriated funds available for such purpose, make a contribution to local authorities for the construction of road improvements or traffic controls or other devices on land adjacent to a national cemetery if the Secretary determines that such a contribution is essential to ensure safe ingress to or egress from the cemetery.

(g) Notwithstanding any other provision of law, the Secretary may at such time as the Secretary deems desirable, relinquish to the State in which any cemetery, monument, or memorial under the Secretary's jurisdiction is located, such portion of legislative jurisdiction over the lands involved as is necessary to establish concurrent jurisdiction between the Federal Government and the State concerned. Such partial relinquishment of jurisdiction under the authority of this subsection may be made by filing with the Governor of the State involved a notice of such relinquishment and shall take effect upon acceptance thereof by the State in such manner as its laws may prescribe.

(h)(1) With respect to the interment or funeral, memorial service, or ceremony of a deceased veteran at a national cemetery, the Secretary shall ensure that—

(3) With respect to the interment or funeral, memorial service, or ceremony of a deceased veteran at a national cemetery, the Secretary shall notify the next of kin or other agent of the deceased veteran of funeral honors available to the deceased veteran, including such honors provided by any military or volunteer veterans honor guard described in paragraph (2).
